Grant Summary or Grant Objective

Marion County is seeking to expand Law Enforcement Assisted Diversion (LEAD) in targeted neighborhoods in Salem, Oregon. This will be completed through a planned and phased approach, which will include partnerships among the Marion County Sheriff's Office and Salem Police Department (first responders); Marion County District Attorney's Office; Marion County Board of Commissioners; Marion County Health and Human Services Department; Salem Health and emergency medical providers; research partner Oregon Criminal Justice Commission; and Salem City Attorney's Office. The collaboration is broadly engaging community partners.

Department has read and agrees to the guidelines, regulations, and certifications contained in the application submitted for approval. Upon notice of award, department will ensure compliance with all terms and conditions of the grant funding. *If Department is subcontracting services, Department has considered procurement rules regarding appropriate solicitation process.
