Memorandum of Understanding			\$ -	Multiple community-based autism spectrum disorder (ASD) identification teams located around the State of Oregon were established by the ACCESS grant (Assuring Comprehensive Care through Enhanced Service Systems for Children with Autism Spectrum Disorders and other Developmental Disabilities) with funding from the US Maternal and Child Health Bureau. The grant was a state autism implementation grant, intended to further the implementation of Oregon's state autism plan that was developed by the Oregon Commission on Autism Spectrum Disorder (OCASD). Educational partners have worked in accordance with Oregon Administrative Regulations (OARs). The overall goal of the autism identification team is to improve collaboration between educators and medical providers to assess and diagnosis children, birth to 5 years of age, and improve access to services and resources.
