				contracts are scheduled to terminate 9/30/2014. WVCH will carry the contracts thereafter.
Welcome Bill Guest <ul style="list-style-type: none"> • Vision/Plans for 2015 • IDS Overview & Comment 		11:15-Noon	All	Bill talked about importance of CCO transition, moving forward with integration between physical and mental health, with focus on access. Goal is for all WVCH providers to have a share of OHP enrollees. Understanding needed around terminating patient care. Care coordination conference is scheduled in December for all providers to come together. Comments regarding funding at counties needs reform; importance of transparency.
Lunch				
Panel Status <ul style="list-style-type: none"> • IDS Capacity & Interim Provider • Conversation with PCP/Behaviorist • Srvc to Juvenile Depart Youth 		12:10-12:40	Christina Dawn Cary	Interim Panel: 86 members enrolled since June 1 st . Total of 496 members being served outside of the IDS. Had conversation with BCN around preparing for RFP. All authorizations for out of panel services will end December 31 st so transition plan is needed. Access was low in August with 70.76% members getting into care within 14 days and 82.3% members overall receiving an appointment. PCP's want to refer to mental health the same as specialty referrals and follow up is needed after referrals. Follow up training through CIM for intake coordinators so they know where to find information/verify referral to improve communication.

 Community and Provider Services

				Services to youth in Detention: Reported on a conversation with the Juvenile Department and their interest in having improved access/services to their youth. Concern around youth in detention receiving services. Communication between agencies/departments can pose a barrier at times. As of today there are 20 youth in detention in Marion County. More follow up on this topic.
IDS Reports	Handouts	12:40-12:50	Dwight	2/3 of the way through the year for reporting. Budget Incentive was restructured; if providers see 100% of targets and expend at least 85% of their budget dollars, then they will receive the budget incentive. Since beginning of year the auth activity report reflects that the IDS has had an increase of 11% of members in care with IDS agencies.
Committee Reports <ul style="list-style-type: none"> • WVCH • CAP • Clinical Sups • Other 		12:50-1p		WVCH – Care Management meeting was held. Focus on universal care plan development, agency wide standards and continued training. Group will meet on a monthly basis with Sarah Fronza, Committee Chair.
