Time	Agenda Item (Who) Information/Discussion	Notes
10:00-10:05	Welcome & Introductions	
10:05-10:10	Chemeketa/Interface EMT Class Follow ups	<p>Classes have been filled and the classroom activities have begun! There are 24 students in the EMT class so far.</p> <p>Katrina: Marin requested an ASA contact list so you should all expect some outreach from him. He was requesting internship sites for the students to better learn the EMT role.</p> <p>If it's successful, then the funding source can increase down the road and grow into the workforce.</p>
10:10-10:15	Salem Hospital Follow up	<p>Katrina: No update with Salem Hospital since their divert.</p> <p>Sherry: Drop times are increasing again.</p> <p>Kyle: Salem Hospital can somewhat predict the call times; however, we all know people don't call 911 on schedule. There are many variables and issues, but they have been able to incorporate a matrix to assist with predictability.</p> <p>Katrina spoke with the Washington County region who works with Legacy. They're currently doing a 4-phase pilot where they're testing certain interventions to try and get back to the "no divert" policy.</p> <p>Matt Black: Salem Hospital has a new Cardiology group that wants to "start over" to create a more cooperative atmosphere.</p> <p>**Katrina will reach out to schedule a check-in meeting with them for the group.</p>

Minutes

10:15-10:20	HPP Updates	<p>Kyle McMann and Rebecca: There was a meeting on the 19th as a follow up/debrief to an i5 incident, but Rebecca was only able to attend a short portion. Kyle was unable to attend.</p> <p>Kyle is doing his best as an EMS liaison to forward all the pertinent info they receive.</p> <p>HPP had a 30-minute drill and asked Katrina to follow up with the lack of attendance/participation. Kyle Amsbury and Rebecca Shivers DID attend and completed the check-in.</p>
10:20-10:35	Round Table	<p>Katrina will send the final plan and maps out to everyone this week. We have hired a new Marion County worker, Matt Neuvenheim, to assist with recording and tracking data as our new Emergency Preparedness Analyst.</p> <p>Sherry: Franchise agreements are up for renewal after 6 years and not 5. This was an intentional decision in order to complete the plan.</p> <p>The next ASA meeting (early January) we will go over the timeline and application for franchise agreement renewals.</p> <p>Scott: Is there an update with the proposed sub-committee?</p> <p>Katrina: Matt Neuvenheim will be a big help once he starts in his role.</p>

Next Meeting: Thursday, January 19th, 2023, 10:00AM-11:00AM at Salem Fire
