Attendees: Kyle Amsbury Matt Black Caroline Castillo Mike Corless Jordan Donat Frank Ehrmantraut
 Danny Freitag Darin George John Goward Kevin Hendricks Kyle McMann Katrina Rothenberger
 Kathleen Silva Jim Triewiler Tony Robert Dalke Dr. Steve Vets Marin Arreola Michael Laatsch

Time	Agenda Item (Who) Information/Discussion	Notes
10:30	Call to Order & Introductions (Shawn)	
10:40-11:20	EMT Workforce Opportunity--Marin	<p>Interface Network is a local CBO that focuses on health equity and workforce development. They target diverse communities throughout the region. Marin has worked in healthcare for the past 14 years (system navigation, OHP, Marketplace enrollment and outreach and engagement, advocate in the governor’s office)</p> <p>There is a need for bilingual bicultural healthcare workers!</p> <p>Marin is the co-chair of Future Ready Oregon. Future Ready provides wrap around support to help pay bills, support their families, and mentor. They partnered with Chemeketa to develop a Pilot EMT program that specifically targets BIPOC, rural, and vulnerable workers to help get them into the Healthcare workforce. The program will provide cost of tuition, materials, wrap around supports, childcare, transportation, and pay a stipend of \$1000 during the training. After that, they will help place these workers into jobs.</p> <p>The 12-week program will hopefully start in September and then job placement by next spring.</p> <p>Working to add more Spanish medical terminology to better communicate with that community.</p> <p>Classes are hybrid, flexible, and mindful about the student’s schedules outside of school.</p> <p>21+ in age is preferred but 18 is accepted at some fire and ambulance sites.</p>

Minutes

		<p>They're asking for partners! (Internship site, one-on-one support, job placement, etc.)</p> <p>Woodburn Fire hosted an EMT class through Chemeketa. Out of the 11 students, they had 4 or 5 that were Spanish speaking, and it was very successful! Contact Marin or Olga!</p> <p>They plan to apply for more funding and grants to maintain this as a long-term model.</p> <p>Can agencies come in and market themselves to the students? Yes!</p>
11:20-11:30	SH Divert Data Check-in--Katrina	<p>1 group stated the July 26th divert did not have an impact on their response time.</p> <p>Should she send out a Survey Monkey with a quick yes or no to response time impacts?</p> <p>Did anyone have issues with the July 26th divert?</p> <ul style="list-style-type: none"> -Brian Buter (Keizer): 3 transports were diverted, and it went very well. -Dr. Vets (Santiam): They were well positioned to be able to take on a surge during that divert. -John Goward (Faulk): They were not set up with the diversion plan until the 29th. They continued to transport into Salem during the divert. -Polk: The 1 transport they had begun the transport after the hospital went on divert so they had to change their destination. The issue was how to we communicate this to the families?
11:30-11:40	HPP Report—Katrina	<p>It was a quick 1 hour meeting that Christina Bonnell from Salem Hospital called for the Region 2 hospitals and EMS.</p> <p>They mostly talked about Region 2 hospital updates; providing their statuses and challenges for that day and the upcoming plans.</p>
11:50	<p>Any other thoughts?</p> <p>When and where should our next ASA meeting be?</p>	<p>No more thoughts</p> <p>Late September: Salem Fire, Woodburn Fire, Jefferson</p>
