Does your establishment have a Certified Restaurant Manager?

Each facility is required to have a Person In Charge (PIC) at all times the establishment is open. This class will explore the concepts of hazard analysis and critical control points (HACCP) and the use of critical standard operating procedures. Upon successful completion of this class, you will have demonstrated the required knowledge to be identified as a PIC and will receive certification as a Certified Restaurant Manager.

Cost: \$ 100.00 Call 503-588-5346 to register today
