Discussion took place on the suitability of Eleanor Miller, who was interviewed on November 13, 2007, for the open Community Organization position. There was agreement that since she is currently the chair of Salem's Northeast Neighborhood Association, and was the previous chair of the overseeing Salem Neighborhoods group, that she would fit the description of being a Community Organization representative. Also, it was noted that she is a long-time Master Recycler.

A motion was made by Bonnie Sullivan that the Membership Subcommittee make a recommendation to the full SWMAC at their meeting on November 27, 2007, to recommend to the Board of Commissioners that Eleanor Miller be appointed to the open Community Organization position on the SWMAC. The vote in favor of those present was unanimous. Additionally, Bob Anderson was contacted on the telephone, and he also voted in favor of the proposed recommendation to the full Council.
