Marion County Sheriff's Office is establishing a volunteer program to improve traffic safety in your community. Volunteers will work with our Crime Prevention Unit to target speeding vehicles in your neighborhood.

We are requesting involvement from the citizens of Jefferson to collect information from a radar reader board and provide information to the Crime Prevention Unit. As a part of this program, speeding motorists will receive a warning letter from the Marion County Sheriff's Office.

Please get involved to improve safety for motorists, bicyclists and pedestrians in your community.

Contact Doc Nelson at 503.589.3250 for volunteer information.
