**COURT-APPOINTED SPECIAL ADVOCATES (CASA)**

Marion County CASA, Inc.	2005-07 CFC funds: \$99,587
Funded by CFC since 2005 (CASA funded since 1991)	2005-06 leveraged resources: \$144,729

Court Appointed Special Advocates are trained volunteers who advocate for abused or neglected children. CASA advocates investigate relevant information about the case; advocate for the child in court, assuring that all relevant facts are brought before the court. CASAs facilitate and negotiate to insure that the court, the child welfare agency, and the child's attorney, if any, fulfill their obligations to the child in a timely fashion, monitor all court orders to insure compliance and to bring to the court's attention any change in circumstances that may require a modification of the court's order. CASA shares responsibility for the quality of services children receive during out-of-home placement and while in the jurisdiction of the court.

**HEALTHY START**

Catholic Community Services	2005-07 CFC funds: \$1,830,786
Funded by CFC since 2003	2005-06 leveraged resources: \$220,028

Healthy Start is a voluntary program that provides information and support services to all families at the birth of their first child, while identifying higher-risk families who could benefit from longer-term support services. Higher-risk families are offered ongoing home visits for up to three years. Healthy Start is an evidence-based child abuse prevention program.

**RELIEF NURSERY**

Funded by CFC since 1992	2005-06 leveraged resources: \$287,824

HOST provides temporary and long-term shelter and supportive services to runaway, homeless and at-risk youth. Whenever possible and appropriate, HOST works to reunite youth with their family. Activities include: emergency shelter; 24-hour crisis intervention services; initial assessment of drug abuse, suicide and risk of abuse; on-site case management; life-skill building; family mediation; and life skill development (offered in English and Spanish).

### CHILD DEVELOPMENT PROGRAMS

YMCA	2005-07 CFC funds: \$30,000
Funded by CFC since 2005	2005-06 leveraged resources: \$714,164

CFC funds two separate areas: 1) Childcare for infants 6-weeks to 2 ½ years of age. The program is focused on meeting the children's developmental needs in a safe and enriching environment. 2) Raising program quality for early childhood and school-age programs to achieve national standards.

### POWER PROGRAM

City of Salem	2005-07 CFC funds: \$44,000
Funded by CFC since 1998	2005-06 leveraged resources: \$52,720

The POWER Program provides after-school activities at each of the Salem-Keizer School District's middle schools. Youth are in a productive and supervised setting engaged in activities including after-school classes, clubs, youth centers, field trips, and community service projects. Academic enrichment, mentoring, recreation and social activities are incorporated into a menu of options offered to students.

### PROJECT SUCCESS

Jefferson School District	2005-07 CFC funds: \$64,000
Funded by CFC since 1999	2005-06 leveraged resources: \$23,404

Project SUCCESS is a free after-school program located at the Jefferson Elementary School, serving children grades K-4. Activities include meaningful, self-selected activities (computer lab, tutor lab, crafts, sports, games) focused on academic skills, building conflict resolution skills, cultural sensitivity, self-esteem, leisure skills, beneficial peer relations; and sustained interactions with caring, resourceful and experienced staff. This program provides low-income students opportunities to participate in activities they may be otherwise unable to access such as 4H, art classes, sport teams, and Boy and Girl Scouts, etc.
