About the Community Resources Network

The Community Resources Network (CRN) connects resources to people by putting organizations in touch with each other in order to share information. Members use CRN to share extra resources, seek help with unmet needs, or develop community-wide service-oriented events.

The CRN complements the 211 system, which helps organizations and community members find services and supports.

Community Resources Network

CONNECT to www.marioncountyresources.org

and become part of a collaborative community network that is connecting resources to children, youth, and families by linking organizations together to achieve a greater collective impact. CRN is a free web-based tool designed to help our community agencies, organizations, and service providers give better service to those in need.

LEARN how the Community Resources Network allows organizations to share information, resources, and referrals by increasing efficiencies and enhancing connectivity.

TRAIN your peers on the importance and benefits of staying connected and fully utilizing the Community Resources Network to achieve greater community wide impact.

ACT now and be part of a seamless network that promotes a “no wrong door” approach to services for children and families in Marion County.

Join today! There is no cost to become a member of the Community Resources Network – but there is about a 48 hour waiting period for your member application to be fully processed.
