

## PUPPY LICENSES

Puppy licenses are free for puppies five months of age or less. Stray puppies wearing a puppy license can be identified and the owners contacted. This is free protection for precious puppies.

Puppies become adults when they turn six months old or get permanent canine teeth, whichever occurs first. At this time, they must be re-licensed as adult dogs.

If your new puppy is licensed, you will receive a renewal notice reminding you that at six months of age your dog needs a rabies vaccination and a dog license.
