After several months of investigating a heroin organization in the Marion, Clackamas, and Polk Counties, Marion County Street Crimes, the Polk County Interagency Narcotics Team (POINT), and the Oregon Department of Justice a takedown took place in early March. Byrne Grant Update

The Street Crimes Unit applied for and received a federal grant (Byrne Grant) to assist them with targeting and dismantling drug trafficking organizations (DTO's). This grant went into effect in October 2010. This grant has provided much needed money to the unit to assist with drug investigations.

The column to the right reflects some of the statistics compiled by the Street Crimes Unit, since receiving the grant (October 2010 to March 2011). Included in the statistics is the amount of currency and drug complaints the unit has received during the first three months of the year.
