### **Marion County Recruiting for Oregon 150 Committee Members**

Marion County is looking for residents from within the communities in the county to serve on the Marion County Oregon 150 Committee. The county's Oregon 150 Committee will help to plan and implement the county's involvement in Oregon 150 celebrations during 2009.

Committee members will help to develop a schedule of activities and events for 2009 that showcase Marion County's role in Oregon's statehood, both past and future. The committee will set guidelines for the scope of the county's effort and will establish timelines, goals and tasks.

Those interested may contact Marion County's volunteer coordinator, Glenis Chapin at 503-588-7990 or [volunteer@co.marion.or.us](mailto:volunteer@co.marion.or.us).
