Marion County Fair Seeks Superintendents

The 2008 Marion County Fair will be held July 10-13. The theme is “Summer Days and Country Ways.” Marion County is currently seeking volunteers in the community to help make this year’s fair another success by volunteering as a fair superintendent.

Superintendents are a key element in the fair’s success. They are responsible for the overall management of the exhibits by helping to coordinate volunteers for the exhibits and displays. They also recruit judges with specific expertise in the open class division. The fair is currently seeking superintendents for the textiles, food and photography departments.

The time commitment is limited to the fair season and the work is rewarding. For more information contact the volunteer coordinator, (503) 588-7990 or by e-mail volunteer@co.marion.or.us.
