Marion County Fair Volunteers

Volunteering means different things to different people. What does it mean to you? Are you interested in volunteering to give back to the community, make friends and provide a new social outlet? Does it allow you to make connections and references to advance your career? Perhaps you need a number of community service hours for graduation or other circumstances. Marion County Fair can help fill your need to volunteer, whatever your reasons.

The fair provides great opportunities for our county's entrepreneurs, authors, community outreach programs, agricultural businesses, and other residents and visitors. It provides a forum for people to come together and work for a common goal to promote, educate, and experience all that our county has to offer.

Volunteers from all walks of life do a variety of tasks to cover the many hours of the fair. You can greet people while staffing the fair information booth, record scores as a clerk for an open class judge, help with pickup and cleanup and much more. Please contact us today to learn about the positions available and to schedule a time that works best for you.

We hope to see you at this year's fair July 7-10, 2011. To obtain a volunteer application you can visit the fair website at www.mcfair.net or go directly to: <http://www.co.marion.or.us/FAIR/volunteer.htm>. For more information contact the Fair Volunteer Coordinator Diannah Dolby at (503) 881-6147 or Marion County Volunteer Services Coordinator Glenis Chapin at (503) 588-7990 or send an e-mail to volunteer@co.marion.or.us.
