### **Marion County Fair Seeks Entertainers**

The Marion County fair is looking for entertainers to fill the community stage. This year's fair runs July 7-10. The fair seeks a variety of talent from singers, dancers, and instrumentalists to exhibitions and demonstrations such as karate or gymnastic groups. All ages are welcome from children to seniors.

The entertainers will be performing on the community stage inside the air-conditioned Americraft Building at the Oregon State Fairgrounds. The fair is seeking performers who are willing to entertain free of charge, taking advantage of this opportunity to display their talents and gain exposure.

If you, or someone you know, would like to perform at the 2011 fair, please contact Cassie McFarland at Sweeney Promotions, 503-364-1442 or email [cassie@sweeneypromotions.com](mailto:cassie@sweeneypromotions.com)
