**Mark Your Calendars: Senior Day At The Marion County Fair**

The Marion County Fair offers seniors \$2.00 admission (age 62 and up) on Thursday, July 7, Senior Day. "The Marion County Fair has plenty to offer, and we really work hard to make seniors welcome," says Senior Day Coordinator Phyllis Johnson, "each year we add new and more fun activities"

This year, we will bring back the Bean Bag Baseball competition between various senior communities. Dancing and musical performances will fill the stage in the Americraft Center throughout the day.

The day will be packed with demonstrations including: quilting, sewing, spinning, red hat making, weaving and woodcarving. There will also be line-dancing demonstrations by the Emerald Pointe Jewels as well as lessons in seated hula dancing. Several community organizations will be on hand with senior information and free health screenings.

"Friends of Center 50+ encourages everyone to visit the Marion County Fair on Senior Day. Center 50+ will be showcasing special programming from the Center such as fitness classes, variety of dance forms, vocal and instrumental groups, and more. Our patrons will be on-site ready to prove to you life just get's better after 50! Check out the special stage area 4-7p.m," says Center 50+ Director Marilyn Daily.

Senior Day is also a good day to bring the grandchildren. Children under age 5 have free admittance to the fair.

The Marion County Fair runs July 7-10, at the OR State Fairgrounds. For more information visit [www.MCFair.net](http://www.MCFair.net).

"Come check out the seniors of today who are setting the standard for the seniors of tomorrow," says Senior Day Coordinator and Marion County Fair Board Member Phyllis Johnson.
