Commercial Exhibitors Invited to Participate in the Marion County Fair

Commercial exhibitors are invited to participate in the Marion County Fair July 7-10, 2011. The fair is held at the Oregon State Fairgrounds in Salem Oregon. There will be increased activity at this year's fair due to the national acts- Tracy Lawrence on Thursday, July 7 and the Little River Band on Friday, July 8. With the fair expecting over 25,000 in attendance over the four days of the fair, it is a great opportunity for vendors to reach the public with products and information.

Both large and small commercial businesses and non-profit organizations are welcome to participate, with non-profits receiving a price break. Vendor booths are available both inside an air-conditioned exhibit hall and outside along the promenade. Booth prices range from \$225-\$325 depending on the location.

Applications and *Rules and Regulations* regarding Commercial Exhibits can be found on the fair website at **mcfair.net** or by calling the fair office at **503-585-9998**.
