## News Release

### Marion County Crews Respond to Major Flooding

Heavy rains and melting snow have created high water and flooding issues in many areas of Marion County. Marion County Public Works crews, assisted by Inmate Crews, are working to clear debris and open roadways.

The City of Turner has been especially hard hit. Marion County has dispatched deputies, work crews, five MCSO boats and another from the Salem Fire Urban Boat Water Rescue to assist the City of Turner.

Both the Wheatland and Buena Vista ferries are closed.

Barricades have been posted to warn drivers of closures. Violators who disregard the barricades will face a \$110 citation.

Sand and Sand bags are available at the following locations. Bring your own shovel and be prepared to bag your own sand:

City of Salem: Public Works at 1410 20th Street SE, Building 22

City of Turner: Post Office parking lot

Marion County Public Works, 5155 Silverton Road NE, Building 1

City of Aumsville – 115 Main Street

City of Stayton – 41816 Stayton-Scio Road

City of Keizer 3800 Block of Rickman Road, next to the skate park
