**Marion County Health Department Woodburn Clinic to Relocate June 18**

The Marion County Health Department Woodburn Clinic will be moving to a new location on June 18, 2009. The new building is located at 976 N. Pacific Hwy, Woodburn (next door to the North Marion Justice Court). The main phone numbers will remain the same: (503) 981-5851 and (503) 566-2901.

Marion County Health Department services will continue to be held at the current location of 302 W Hayes St, Woodburn, until Wednesday, June 17, 2009. Services will resume at the new location of 976 N. Pacific Highway, on Friday, June 19, 2009.

Once moved, the health department will begin offering outpatient alcohol and drug treatment services for adolescents and adults at the Woodburn clinic. This will be in addition to the services currently offered, which include immunizations, family planning, sexually transmitted infections screening, developmental disabilities case management, children's behavioral health services, adult behavioral health services, teen parenting counseling, and prevention services (alcohol, tobacco, drugs, chronic disease).

After June 17, health department services will no longer be provided at 302 W. Hayes Street, Woodburn.
