Volunteers Sought for Dog Shelter Outreach Events

Marion County Dog Shelter is recruiting outreach event volunteers. Volunteers will attend outreach events at various local businesses and venues, show adoptable dogs and promote the dog shelter.

According to Sonya Heard, dog shelter office manager, outreach volunteers will work a two to three hour shift at outreaches once per month. Marion County Dog Shelter provides the outreach materials and volunteers transport them and dogs to or from the event. "This is a great opportunity for the public to meet our great, adoptable dogs, which will greatly help them become adopted," she said.

To learn more about the Marion County Dog Shelter volunteer program, or to register for orientation or to request an application, call 503-566-6966.
