**CCTV to Air Live Call-in Show with County Health Officer Dr. Karen Landers**

Capital Community Television (CCTV), in partner with Marion County Health Department, will air a half hour program devoted to the flu on Friday, November 13, 2009 at 6:30pm. “Flu Presentation and Live Call-in” will air on CCTV channel 21.

During the first part of the program, Marion County Health Officer Dr. Karen Landers, will give a brief presentation on flu updates. When the presentation is over, viewers are encouraged to call (503) 588-6444 to ask Dr. Landers a question. This portion of the program is scheduled to last fifteen minutes, but it can be extended if there is a high volume of questions.

For more information regarding the show, call Soha Badiei with CCTV at (503) 588-2288.
