Marion County Dog Shelter Holds Day-After-Thanksgiving Sale

Who wants to go to the mall during the busiest shopping day of the year? Instead, come to the Marion County Dog Shelter (MCDS) where the adoption price for all dogs is only \$100.00!

The annual MCDS Day-After-Thanksgiving sale runs from 10:00 a.m. to 4:00 p.m. on Friday Nov. 27th. You'll find some wonderful dogs in all shapes and sizes.

But wait, there's more! Marion County Dog Shelter adoptions come with a great list of "extras." Every dog is spayed or neutered; micro chipped and licensed; will have received its initial round of vaccinations; goes home with a bag of dog food and receives a free nose to tail exam from a local participating veterinarian.

The staff at the dog shelter is always available to answer your dog-related questions and help you find the perfect match. In the real spirit of the holidays give yourself the gift of a forever friend.

The dog shelter is located at 3550 Aumsville Hwy. SE, Salem, Oregon. To learn more about our shelter or the annual sale, call (503) 566-6966.
