

# 5th Annual Striking out METH in Marion County

**July 16, 2010 • 6:00 p.m.**  
**Volcanoes Stadium—Keizer**

## **BLEACHER BUDDIES**

Methamphetamine has created a huge need for foster care in our community!  
On July 16, 2010, Volcanoes Baseball is offering seats for foster children and families, and kids transitioning out of foster care, a summertime treat - a baseball game and fireworks show during the 5th Annual "Striking Out Meth in Marion County" community event.

Participating kids will receive special seats, t-shirts, hot dogs, and best of all, a chance to be a kid!

Sponsoring organizations will be recognized on a special banner at the park entrance and during appreciation announcements during the game. Sponsorship packages start at only \$100 for 14 foster kids and foster parents.  
Join us today!

**For more information call 503-588-5212 or visit [www.strikingoutmeth.org](http://www.strikingoutmeth.org)**

**I/We would like to be a proud sponsor of "Bleacher Buddies"**
