Volunteers Sought for Marion County Fair

The upcoming 2009 Marion County Fair “Green & Growing, Celebrating 150 Years of A Clean & Green Oregon” is less than a month away (July 9-12). Fair organizers are looking for volunteers to help make this year’s event another great success. Volunteers are needed at the fair information booth, also hosts are needed to greet fair visitors and we need volunteers to staff the fair's special events, such as Teen Day and Open Class Exhibits.

Volunteers receive free admission to the fair on the days they assist. Children under 15 must have an adult volunteer with them.

To obtain a volunteer application you can visit the fair website at www.mcfair.net or go directly to: <http://www.co.marion.or.us/FAIR/volunteer.htm> . For more information call Marion County Fair Volunteer Coordinator Cozette Cooper at (503) 485-2510 ext. 123 or Marion County Volunteer Coordinator Glenis Chapin at (503) 588-7990.
