Business Vendors Space Available at Marion County Fair

The 2009 Marion County Fair will be held July 9-12. Themed “Green & Growing, Celebrating 150 Years of A Clean & Green Oregon,” approximately 25,000 – 30,000 people are expected to attend this year’s fair. With a special emphasis this year on living green, the fair will host an area specifically identified for those vendors with earth friendly materials and products.

Both small business owners and larger corporations are encouraged to participate as a commercial vendor. Vendor booth prices are very reasonable and are available both inside the exhibitor hall or outside along the walkways.

Application packets for commercial exhibitors to reserve space are available on-line at www.mcfair.net or call (503) 585-9998 to request that a packet be mailed.
