

ADDITIONAL LIFE INSURANCE FOR SHERIFFS

Aside from the Basic Group Life Insurance Marion County provides all benefits-eligible employees, a \$10,000 additional life insurance benefit is also provided for law enforcement officers through Standard Insurance. The eligibility waiting period is the first of the month following 30 days employment with the county.

This benefit is for sheriffs or deputy sheriffs who fit the following description:

“A person employed by Marion County whose duties, as classified by the county’s governing body, include the regular duties of sheriffs and deputy sheriffs, excluding volunteers, reserve police officers or persons considered by Marion County to be civil deputies or clerical personnel.”
