## What is a Cooling Center?

On unusually hot summer days, a Cooling Center is a place where you can go to cool off. "Cooling Centers" are for the elderly, chronic invalids, the homeless, and other members of the community, during the current Heat Emergency Advisory.

## Can I go to a Cooling Center?

Yes. Cooling Centers are for everyone, especially those at risk of getting a heat-related illness:

- Senior citizens
- People with a medical condition
- People with a disability
- Infants and young children
