

Marion County Building Inspection Plan Review Time Lines

Project Type	First Review	Second or Add'l Reviews
Residential	10 business days after received and accepted	Begins 5 to 7 days after changes submitted
Most Commercial and Multifamily	20 business days after received and accepted	Begins 5 to 7 days after changes submitted
Major Commercial and Multifamily	30 business days after received and accepted	Begins 5 to 7 days after changes submitted

First Review: Plan review completed and applicant is notified of deficiencies. If there are no deficiencies the plan review is approved.

Second Review: Review of corrected plans or additional items submitted to correct deficiencies.

Incomplete Plans: Incomplete plans may be rejected. Marion County will notify the applicant within 3 business days of receiving the plans if they are rejected.

While we make every effort to meet our goals listed above, there may be exceptions when due to workload and staffing levels we may not be able to meet these timelines.
