

Oregon Garden Earth Day Poster Contest

Deadline: Friday, January 31, 2016

Theme: "Clean Water, Clear Skies"

Use this checklist to make sure all entries are eligible for judging:

- All entries must be created by students currently in the K through 12th-grade age range (home-school students welcome!)
- Each entry **MUST** include the student's first and last name, grade #, and school name on the back of the artwork. The entry must be the original artwork of the student whose name is on the piece.
- The size of the artwork must be **NO LARGER** than 11" x 17". Smaller sizes are acceptable as well. Any kind of paper may be used; we promote recycled paper but this will not be a criterion for judging.
- The artwork must be related to this year's theme of "*Clean water, clear skies*".
- Entries may be done in marker, ink, crayon, colored pencil, watercolor, acrylic, or tempera paint.
- **We discourage entries with words.** Posters with words will not be immediately disqualified, but in some cases the words will make the poster unusable. Please tell students to not write **Clean water, clear skies on the poster.**
- No computer-generated artwork will be accepted.
- Entries **must be mailed flat**, and must not be folded, rolled, matted, or mounted.
