## ENHANCED WINTER ROAD

### MAINTENANCE WORKSHOP

**Tuesday, October 3, 2017**

**9:00 AM to 1:00 PM** (*lunch is on your own*)

**City of Keizer's Community Event Center in Keizer, Oregon**

Focus will be of agencies sharing their successes and issues of using **alternate, newer** treatments, products and methods addressing:

1. Winter Roadway Safety
2. Snow & Ice Removal
3. Anti-icing Pre-treatments
4. Materials Storage & Handling
5. "When & Where to do What"
6. Newer Products for the Northwest
7. Hidden & Real Costs
8. Expected Winter Service Levels

Speaker and moderator will be **Jay Wells**, WSDOT Program Manager, who has oversight of WSDOT's Statewide Winter Maintenance Program and is a key member of the **Pacific Northwest Snowfighters Conference** planning committee.

This is a hands-on workshop for Supervisors, Managers, and Decisions Makers who give direction to Winter Crews on product choices, defining applications rates, and how and when should they be applied.

Agencies' sharing of current practices and outcomes will be greatly welcomed!
