

2016 TWENTY-THIRD ANNUAL OREGON SKILLS DEMO & SAFETY CONFERENCE
September 13-15, 2016
Douglas County Fairgrounds, Roseburg, Oregon

June 8, 2016

Dear Sponsor:

You are cordially invited to sponsor a ROADEO event and exhibit your products for two and a half days at the Oregon Skills Demo & Safety Conference. We are proud to have our educational event endorsed by the Oregon Association of County Engineers and Surveyors (OACES).

This year's accredited classroom training will include topics designed specifically for Public Works and Road Department maintenance activities.

At the popular Skills Demonstration, equipment operators compete in truck w/snowplow, grader, loader, backhoe, chain on/off and truck pre-trip events for prizes and recognition. The primary objective of the competition is to demonstrate developed personal skills, promote safety and to demonstrate the capabilities of machinery and equipment used during field operations.

As an industry representative your company has a rare and exciting opportunity to display and participate in this successful Oregon event!
