2014 Holiday Wishes Program

Partnering the Marion County Board of Commissioners, the
Marion County Sherriff's Department and the Marion Polk
Foster Parent Association

January 20, 2015

Dear Holiday Wishes partners,

The Marion Polk Foster Parent Association would like to pass on our sincere gratitude. Because of your continued efforts as well as your employees and patrons, this program has helped over 86 foster families, with 320 foster children this year.

The time, effort and commitment on your part to make this work, is astonishing. It also took the generous hearts of all that participated. Their spirit of generosity is simply amazing and it touched the lives of many foster families in our community.

Our continued thanks for all that you do to assist the foster children in our area – it really does make a difference!

Sincerely,
