Adopt a City Charter to replace the current City Charter

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the City of Detroit adopt a new City Charter to replace its current City Charter?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The new charter would change the qualifications for those eligible to serve in elective office, how nomination for city council occurs, and remove the difference in status for primary and non-primary residents. Residents no longer would be either primary or non-primary with any qualified elector eligible to serve in an elective office, including the office of mayor.

Nomination petitions would be required with not fewer than fifteen elector's signatures rather than the current requirement of twenty. Charter language concerning procedures for public improvements, Section 33. Procedure is simplified in Section 35. Debt is proposed to be changed to be consistent with the League of Oregon Cities Model Charter for Oregon Cities, 2018 edition.

Other changes are proposed to correct misspellings and formatting issues in the existing Charter without changing intent. Other changes remove gender-exclusive references so the proposed Charter contains no gender-inclusive references.
