

NOTICE OF DISPOSAL RATE CHANGES

Brown's Island Demolition Landfill

Starting **October 1st, 2023**, the per cubic yard rate for disposing of material in the construction and demolition landfill is increasing from \$13.00 per cubic yard to \$20.00 per cubic yard.

Marion County will also begin accepting yard debris from the public at the Brown's Island Compost Facility on October 1st, 2023.

- There will be a minimum fee of \$15.00 for up to 2 cubic yards of yard debris brought in.
- Each additional cubic yard more than the minimum will be charged \$10.00 per cubic yard (example: A four cubic yard load would be charged the minimum \$15.00 plus two additional cubic yards at \$10.00 each, for a total of \$35.00).
- Only yard debris will be accepted (grass clippings, leaves, branches, vegetative material). Lumber, rocks, sod, and dirt will not be accepted.
