## EVENT RECYCLING

Did you know that Garten Services has recycling bins like the one to the right that they can lend out to individuals and businesses that are planning an event at which they would like to have recycling available? Garten Services also has a tiered level of service ranging from simply lending recycling bins for free to providing a full-service, comprehensive event recycling program. To find out more, call them at: (503) 581-4472 x 3901
