Subject: Center Street Improvements: Lancaster Drive to 45th Place NE

Marion County has received federal funds to widen the north side of Center Street from Lancaster Drive to 45th Place. The widening will accommodate a continuous center turn lane, bike lane and sidewalk. The project will also provide enhanced pedestrian crossings and include an asphalt pavement overlay.

Center Street will remain open during construction with flaggers directing traffic through the work area. Construction is expected to begin in 2024.

You may view project information, including a recorded presentation, prior to the meeting at: <https://www.co.marion.or.us/PW/Engineering/Projects/Pages/Center.aspx>

Marion County will host an Open House to provide information and answer questions about the project. Residents, business owners, and interested parties are welcome to arrive anytime between 5 PM and 7 PM.

Please join us for this important session. If you are unable to attend but have questions about the project, please contact Shane Ottosen Jr., at 503-588-5036 or email SOttosen@co.marion.or.us.
