Subject: Open house to discuss the upcoming Mill Creek Road Bridge Replacement project.

Marion County has received federal funds to replace the Mill Creek Road Bridge which spans Mill Creek approximately one mile east of the City of Turner. The existing bridge, constructed in 1930, is now considered structurally deficient. The new bridge will be wider and meet current roadway and structural standards.

Replacing the bridge will require closing Mill Creek Road between the City of Turner and the City of Aumsville for one construction season. Construction is expected to be completed in the summer of 2024.

You may view project information prior to the meeting at:
<https://www.co.marion.or.us/PW/Engineering/Projects/Pages/MillCrkBr1505.aspx>

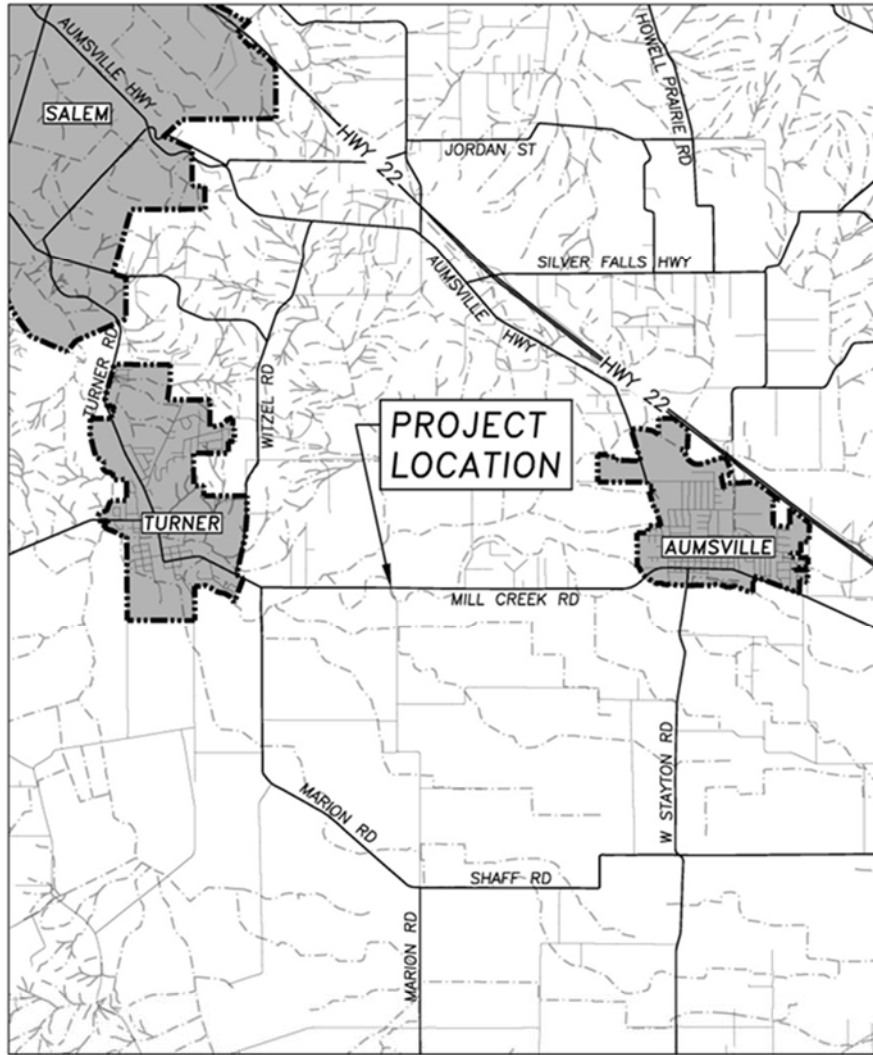

Marion County will host an Open House to provide information and answer questions about the project. Residents, business owners, and interested parties are welcome to arrive anytime between 5 PM and 7 PM.

Please join us for this important information session. If you are unable to attend but have questions about the project please contact Mark Foster, Project Manager at 503-588-5036 or email MFoster@co.marion.or.us.

You may request this letter in another language, request a translator, or other accommodation by contacting Maribel Pena Leon at 503-588-5036, or MPenaLeon@co.marion.or.us a minimum of two working days prior to the meeting.

Puede solicitar este comunicado en otro idioma, solicitar un traductor, u otras peticiones. Para hacerlo favor de ponerse en contacto con Maribel Pena Leon al 503-588-5036, por lo menos 2 días de trabajo hábiles antes de la fecha de la reunión.
