MARION COUNTY PUBLIC WORKS

Notice of Open House

Scotts Mills: Butte Creek Bridge Replacement

Date: February 7, 2024

Time: 5:00 PM to 7:00 PM

Location: Scotts Mills City Hall
265 4th Street
Scotts Mills, Oregon

Subject: Open House for the Replacement of Butte Creek Bridge (06207A)

Marion County has been awarded federal funds to replace the bridge that spans Butte Creek. The existing bridge was built in 1947, but **the central span consists of an earlier pony truss, circa. 1925, which has been determined to be historic.** The bridge is now considered structurally deficient and it is not feasible to rehabilitate it. The new bridge will be wider, more seismically resilient, and meet current roadway and structural standards.

To maintain continued access between Marion County and Clackamas County construction will be staged as follows:

- Construct the first half of the bridge
- Install a temporary or portable signal
- Move traffic onto the new bridge with one-way signalized traffic control
- Remove the existing bridge
- Construct the second half of the new bridge

Marion County will host an open house to provide information on the upcoming project and **solicit input on historic mitigation alternatives.** Marion County staff will be present to answer questions and receive input. Neighbors and interested parties are welcome to arrive anytime between 5 PM and 7 PM.

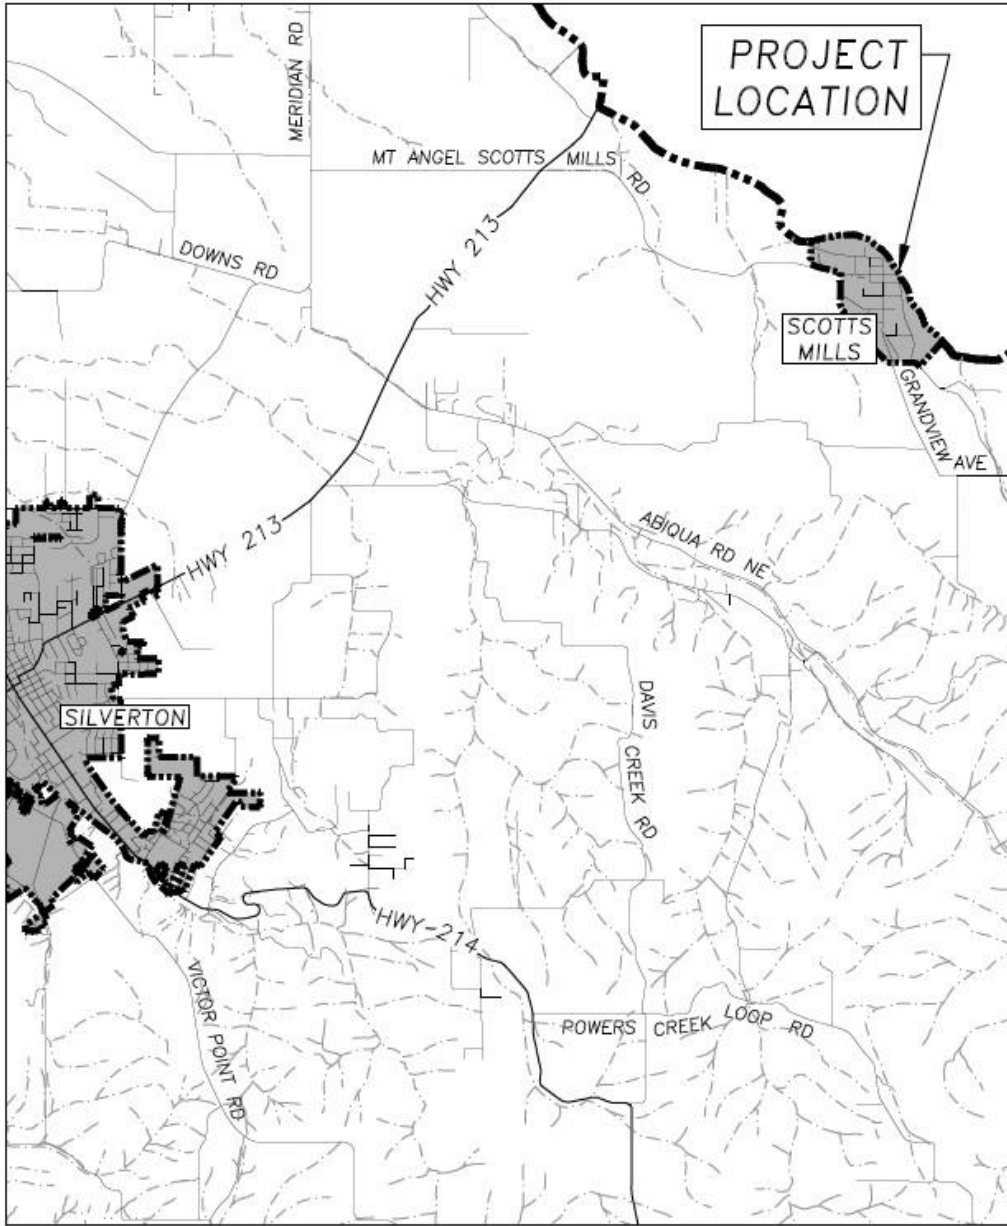

The facility is ADA accessible. If you require special accommodations, please contact Desiree Tokyo at 503-588-5036.

You may request this in another language, request a translator, or other accommodation by contacting Maribel Pena Leon at 503-588-5036, or email MPenaLeon@co.marion.or.us a minimum of two working days prior to the meeting.

Puede solicitar este comunicado en otro idioma, solicitar un traductor, u otras peticiones. Para hacerlo favor de ponerse en contacto con Maribel Pena Leon al 503-588-5036, por lo menos 2 días de trabajo hábiles antes de la fecha de la reunión.
