Department: Public Works

Title: Price Agreements for the Purchase of Aggregate Materials

Management Update/Work Session Date: 4/1/25 Audio/Visual aids []

Time Required: 5 minutes Contact: Scott Wilson Phone: 503-365-3129

Requested Action: Approve price agreements PW-6497-25 through PW-6504-25, seven (7) price agreements in all, for the purchase of aggregate materials from various local aggregate producers for 2025 through 2027.

Issue, Description & Background: In January 2025, Marion County issued Request For Proposal PW1547-24 for the purchase of aggregate materials. Responsive price proposals were received from Sigmund Excavation; Crabtree Crushing; K&E Excavating; North Santiam Paving; Knife River; Silverton Hills Rock; and Riverbend Materials. Staff recommends the county award a price agreement to each responsive proposer. The department purchases aggregate from vendors based on the combination of purchase price, availability and transportation cost to the work site.

Financial Impacts: MCPW has budgeted \$375,000 for aggregate materials for FY25/26, for an anticipated total spend of \$750,000 through FY26/27 across the series of 7 price agreements.

Impacts to Department & External Agencies: None.

List of attachments: PW-6497-25, PW-6498-25, PW-6499-25, PW-6500-25, PW-6501-25, PW-6503-25, PW-6504-25

Presenter: Brian Nicholas

Department Head Signature: Brian Nicholas

**MARION COUNTY
PRICE AGREEMENT
PW-6500-25**

This Price Agreement is between Marion County (a political subdivision of the State of Oregon) hereinafter called County, and North Santiam Paving Co., an Oregon Corporation hereinafter called Contractor.

Contractor agrees to perform, and County agrees to pay for the Services and Deliverables described in Exhibit 1 Cost Proposal Submission Form dated January 9, 2025.

1. TERM.

This Price Agreement is effective upon signature and expires on **12/31/2027**. The maximum term of the Price Agreement shall be 3 years.

2. DOCUMENTS / ORDER OF PRECEDENCE

This Price Agreement includes the following exhibits, each of which is incorporated into the Price Agreement as though fully set forth herein:

- Exhibit 1 - Cost Proposal Submission Form
- Appendix 2 – Special Provisions

3. CONSIDERATION.

The rates to be paid to Contractor under this Price Agreement are included within the Exhibit 1 Cost Proposal Submission Form.

A. Prices included within Exhibit 1 Cost Proposal Submission Form, are the maximum price the Contractor may charge on any ordering instrument. Contractor may charge less than the listed prices, or request the prices listed in the Price Agreement to be decreased at any time, by requesting the change from the Public Works (PW) Road Operations Division Manager.

B. Contractor agrees that if and when his or her regular published net prices at the time and point of delivery are lower than the net prices quoted for corresponding deliveries, County shall be given the benefit of such lower prices.

C. Contractor may request a unit price increase once per year, reflecting increase in operating or raw material costs, by submitting a request to the Marion County Contract and Procurement Manager, including sufficient price documentation to substantiate the request. The adjustment must be based on the latest West Region Consumer Price Index (all items), 12-month available as of July 1 of the second and third years of the Agreement. Any such increase shall not exceed 3% of the previous year's rate.

D. Contractor may request to add products to its Price Agreement at any time during the term of the Price Agreement. The request must contain the name of the product, price per ton, and any other costs associated with the Specifications. If the product is not included in the latest version of 2024 edition of the Oregon Standard Specifications for Construction the Contractor shall submit the following product information for approval by PW Road Operations Division Manager.

4. SERVICES.

A. Contractor shall supply aggregate materials used in construction ("Aggregate Materials") in strict accordance with Standard Specifications and General Conditions set forth in Appendix 2 and the 2024 Oregon Standard Specifications for Construction (Parts 00200 through 03000), General Conditions for Construction for Marion County (Part 00100), v2024.

B. The Contractor shall furnish the daily requirements as requested by the County within one (1) day of the County's order. Should the Contractor fail to furnish any Aggregate Materials for which he has submitted a quote, the County reserves the right to withdraw the order and place it with another Supplier without liability to the County. In such event it shall be further understood that for the remainder of the period, the County, at its own option, may, for such cause withhold any or all additional orders to the Contractor who fails to make the items available within the period specified.

C. Contractor shall perform the Services at prices no higher than the net prices offered in this proposal and Attachment C - Cost Proposal Submission Form. The Contractor further agrees that if and when his or her regular published net prices at the time and point of delivery are lower than the net prices quoted for corresponding deliveries at such point, the County shall be given the benefit of such lower prices.

5. PROCESS.

County may order Goods and Services during the Term of this Agreement using an ordering instrument described in this section

A. ORDERING INSTRUMENT:

1. The County will place an order with Contractor for purchase of Aggregate Materials through the issuance of a Purchase Order.
2. This Price Agreement is one of a series of Price Agreements for Aggregate Materials. When the County requires Goods and/or Services under the Price Agreement series, the County must determine which Price Agreement under the series provides the best value for the specific goods and services required, and will be based on any or all of the following criteria:
 - Price
 - Product availability
 - Distance from plant to jobsite
 - Schedule availability
 - Plant capacity
 - Traffic congestion issues between plant and jobsite
 - Any other factor that will benefit Marion County
3. Contractor's distribution prices, freight/transportation prices, miscellaneous prices and product prices are set forth in Exhibit 1, Cost Proposal Submission Form.
4. Contractor is advised that there is no guarantee of any specific amount of purchases under any Price Agreement or the Price Agreement series.
5. Notwithstanding the award of one or more Price Agreement, County may conduct separate solicitations or award project-specific contracts or purchase orders for goods similar to what is described within this Request for Proposals using any method allowed by law.

B. INVOICING:

County will issue payment within thirty (30) days of receipt of the Contractor's invoice for materials ordered and received by the County and in accordance with Contractor's adherence to Set Standards and General Conditions defined within the Appendix 2 Special Provisions.

The Contractor shall submit invoices to the address indicated on the Purchase Order.

The invoice shall include the following:

- Purchase Agreement number and Purchase Order number
- Name of Marion County employee who placed the order
- Include the following:
 - a. The quantity of goods ordered
 - b. The quantity of goods delivered
 - c. The date the goods were delivered
 - d. The price per unit, including escalation or de-escalation, if applicable
 - e. Total cost for goods

All charges or credits pertaining to an order shall be included on the same invoice. Separate invoices for escalation or de-escalation, demurrage, or other charges will not be accepted.

Invoices that do not comply with the requirements of this section or contain errors will promptly be returned to the contractor for corrections and then must be resubmitted. An invoice will not be considered received unless it complies with all requirements.

Marion County Public Works Department
5155 Silverton Rd. NE
Salem, OR 97305
PWAP@co.marion.or.us

6. COMPLIANCE WITH STATUTES AND RULES.

A. County and the Contractor agree to comply with the provisions of this Price Agreement and all applicable federal, state, and local statutes and rules.

B. Unless otherwise specified, responsibility for all taxes, assessment, and any other charges imposed by law upon employers shall be the sole responsibility of the Contractor. Failure of the Contractor or the County to comply with the provisions of this Price Agreement and all applicable federal, state, and local statutes and rules shall be cause for termination of this Price Agreement as specified in sections concerning recovery of funds and termination.

C. County's performance under this Price Agreement is conditioned upon Contractor's compliance with the obligations intended for contractors under ORS 279B.220, 279B.225 (if applicable to this Price Agreement), 279B.230 and 279B.235 (if applicable to this Price Agreement), which are incorporated by reference herein.

D. Contractor must, throughout the duration of this Price Agreement and any extensions, comply with all tax laws of this state and all applicable tax laws of any political subdivision of this state. For the purposes of this Section, "tax laws" includes all the provisions described in subsection 24. C. (i) through (iv) of this Price Agreement.

1. Any violation of subsection B of this section shall constitute a material breach of this Price Agreement. Further, any violation of Contractor's warranty, in subsection 24.3 of this Price Agreement, that Contractor has complied with the tax laws of this state and the applicable tax laws of any political subdivision of this state also shall constitute a material breach of this Price Agreement. Any violation shall entitle the County to terminate this Price Agreement, to pursue and recover any and all damages that arise from the breach and the termination of this Price Agreement, and to pursue

any or all of the remedies available under this Price Agreement, at law, or in equity, including but not limited to:

- a. Termination of this Price Agreement, in whole or in part;
- b. Exercise of the right of setoff, and withholding of amounts otherwise due and owing to Contractor, in an amount equal to State's setoff right, without penalty; and

E. These remedies are cumulative to the extent the remedies are not inconsistent, and the County may pursue any remedy or remedies singly, collectively, successively, or in any order whatsoever.

7. CIVIL RIGHTS, REHABILITATION ACT, AMERICANS WITH DISABILITIES ACT and TITLE VI OF THE CIVIL RIGHTS ACT.

Contractor agrees to comply with the Civil Rights Act of 1964, and 1991, Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973, and Title VI as implemented by 45 CFR 80 and 84 which states in part, No qualified person shall on the basis of disability, race, color, or national origin be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which received or benefits from federal financial assistance.

8. TIME IS OF THE ESSENCE.

Contractor agrees that time is of the essence in the performance of this Price Agreement.

9. FORCE MAJEURE.

Neither County nor Contractor shall be responsible for any failure to perform or for any delay in the performance of any obligation under this Price Agreement caused by fire, riot, acts of God, terrorism, war, or any other cause which is beyond the breaching party's reasonable control. Contractor shall, however, make all reasonable efforts to remove or eliminate the cause of Contractor's delay or breach and shall, upon the cessation of the cause, continue performing under this Price Agreement. County may terminate this Price Agreement upon written notice to Contractor after reasonably determining that the delay or breach will likely prevent successful performance of this Price Agreement.

10. FUNDING MODIFICATION.

A. County may reduce or terminate this Price Agreement when state or federal funds are reduced or eliminated by providing written notice to the respective parties.

B. In the event the Board of Commissioners of the County reduces, changes, eliminates, or otherwise modifies the funding for any of the services identified, the Contractor agrees to abide by any such decision including termination of service.

11. RECOVERY OF FUNDS.

Expenditures of the Contractor may be charged to this Price Agreement only if they (1) are in payment of services performed under this Price Agreement, (2) conform to applicable state and federal regulations and statutes, and (3) are in payment of an obligation incurred during the Price Agreement period.

Any County funds spent for purposes not authorized by this Price Agreement and payments by the County in excess of authorized expenditures shall be deducted from future payments or refunded to the County no later than thirty (30) days after notice of unauthorized expenditure or notice of excess payment.

Contractor shall be responsible to repay for prior Price Agreement period excess payments and un-recovered advanced payments provided by the County. Repayment of prior period obligations shall be made to the County in a manner agreed on.

12. ACCESS TO RECORDS.

A. Contractor shall permit authorized representatives of the County, State of Oregon, or the applicable audit agencies of the U.S. Government to review the records of the Contractor as they relate to the Price Agreement services in order to satisfy audit or program evaluation purposes deemed necessary by the County and permitted by law.

B. Contractor agrees to establish and maintain financial records, which indicate the number of hours of work provided, and other appropriate records pertinent to this Price Agreement shall be retained for a minimum of three (3) years after the end of the Price Agreement period. If there are unresolved audit questions at the end of the three-year period, the records must be maintained until the questions are resolved.

13. REPORTING REQUIREMENTS.

Contractor shall provide County with periodic reports at the frequency and with the information prescribed by County. Further, at any time, County has the right to demand adequate assurances that the services provided by Contractor shall be in accordance with the Price Agreement. Such reports provided by the Contractor shall be supported by documentation in Contractor's possession from third parties to the extent as applicable.

14. INDEMNIFICATION AND INSURANCE.

A. Contractor shall defend, save, indemnify, and hold harmless the County, its officers, agents, and employees from and against all claims, suits, actions, losses, damages, liabilities, costs and expenses of any nature whatsoever, including attorney fees, resulting from, arising out of, or relating to the activities of Contractor or its officers, employees, subcontractors, or agents under this Price Agreement. Contractor shall have control of the defense and settlement of any claim that is subject to this section. However, neither Contractor nor any attorney engaged by Contractor shall defend the claim in the name of either County or any department of County, nor purport to act as legal representative of either County or any of its departments, without first receiving from County Legal Counsel authority to act as legal counsel for the County, nor shall Contractor settle any claim on behalf of County without the approval of County Legal Counsel. County may, at its election and expense, assume its own defense and settlement.

B. Contractor shall obtain the insurance required under Section 20 prior to performing under this Price Agreement and shall maintain the required insurance throughout the duration of this Price Agreement and all warranty periods.

C. County, pursuant to applicable provisions of ORS 30.260 to 30.300, maintains a self-insurance program that provides property damage and personal injury coverage.

15. EARLY TERMINATION.

This Price Agreement may be terminated as follows:

A. County and Contractor, by mutual written agreement, may terminate this Price Agreement at any time.

B. County in its sole discretion may terminate this Price Agreement for any reason on 30 days written notice to Contractor.

C. Either County or Contractor may terminate this Price Agreement in the event of a breach of the Price Agreement by the other. Prior to such termination the party seeking termination shall give to the other party written notice of the breach and intent to terminate. If the party committing the breach has not entirely cured the breach within 15 days of the date of the notice, then the party giving the notice may terminate the Price Agreement at any time thereafter by giving a written notice of termination.

D. Notwithstanding section 15C, County may terminate this Price Agreement immediately by written notice to Contractor upon denial, suspension, revocation or non-renewal of any license, permit or certificate that Contractor must hold to provide services under this Price Agreement.

16. INDEPENDENT CONTRACTOR.

A. The Contractor is a separate and independently established business, retains sole and absolute discretion over the manner and means of carrying out the Contractor's activities and responsibilities for the purpose of implementing the provisions of this Price Agreement, and maintains the appropriate license/certifications, if required under Oregon Law. This Price Agreement shall not be construed as creating an agency, partnership, joint venture, employment relationship or any other relationship between the parties other than that of independent parties. The Contractor is acting as an "independent contractor" and is not an employee of County, and accepts full responsibility for taxes or other obligations associated with payment for services under this Price Agreement. As an "independent contractor", Contractor will not receive any benefits normally accruing to County employees unless required by applicable law. Furthermore, Contractor is free to Price Agreement with other parties for the duration of the Price Agreement.

B. SUBCONTRACTING/NONASSIGNMENT. No portion of the Price Agreement may be contracted or assigned to any other individual, firm or entity without the express and prior approval of the County.

17. GOVERNING LAW AND VENUE.

This Price Agreement shall be governed by the laws of the State of Oregon. Any action commenced in connection with this Price Agreement shall be in the Circuit Court of Marion County. All rights and remedies of the County shall be cumulative and may be exercised successively or concurrently. The foregoing is without limitation to or waiver of any other rights or remedies of the County according to law.

18. OWNERSHIP AND USE OF DOCUMENTS.

All documents, or other material submitted to the County by Contractor shall become the sole and exclusive property of the County. All material prepared by Contractor under this Price Agreement may be subject to Oregon's Public Records Laws.

19. NO THIRD-PARTY BENEFICIARIES.

A. County and Contractor are the only parties to this Price Agreement and are the only parties entitled to enforce its terms.

B. Nothing in this Price Agreement gives or provides any benefit or right, whether directly, indirectly, or otherwise, to third persons unless such third persons are individually identified by name in this Price Agreement and expressly described as intended beneficiaries of this Price Agreement.

20. INSURANCE.

A. REQUIRED INSURANCE. Contractor shall obtain at Contractor's expense the insurance specified in this section prior to performing under this Price Agreement and shall maintain it in full force and at its own expense throughout the duration of this Price Agreement and all warranty periods. Contractor shall obtain the following insurance from insurance companies or entities that are authorized to transact the business of insurance and issue coverage in Oregon and that are acceptable to County:

1. **WORKERS COMPENSATION.** All employers, including Contractor, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide workers' compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Contractor shall require and ensure that each of its subcontractors complies with these requirements.

2. **COMMERCIAL GENERAL LIABILITY.** Covering bodily injury, death and property damage in a form and with coverages that are satisfactory to the County. This insurance shall include personal injury liability, products and completed operations. Coverage shall be written on an occurrence basis. Contractor shall provide proof of insurance of not less than the following amounts as determined by the County:

Required by County **Not required by County.**

Bodily Injury/Death:

- \$1,000,000 Per occurrence limit for any single claimant; and
- \$2,000,000 Per occurrence limit for multiple claimants
- Exclusion Approved by Risk Manager
- \$500,000 Per occurrence limit for any single claimant
- \$1,000,000 Per occurrence limit for multiple claimant

3. **AUTOMOBILE LIABILITY INSURANCE.** Covering all owned, non-owned, or hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits for “Commercial General Liability” and “Automobile Liability”). Contractor shall provide proof of insurance of not less than the following amounts as determined by the County:

Required by County **Not required by County.**

Bodily Injury/Death:

- Oregon Financial Responsibility Law, ORS 806.060 (\$25,000 property damage/\$50,000 bodily injury \$5,000 personal injury).
- \$500,000 Per occurrence limit for any single claimant; and
- \$1,000,000 Per occurrence limit for multiple claimants
- Exclusion Approved by Risk Manager

B. ADDITIONAL INSURED. The Commercial General Liability insurance required under this Price Agreement shall include Marion County, its officers, employees and agents as Additional Insureds but only with respect to Contractor's activities to be performed under this Price Agreement. Coverage shall be primary and non-contributory with any other insurance and self-insurance.

C. NOTICE OF CANCELLATION OR CHANGE. There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance coverage(s) without 30 days written notice from this Contractor or its insurer(s) to County. Any failure to comply with the reporting provisions of this clause shall constitute a material breach of Price Agreement and shall be grounds for immediate termination of this Price Agreement by County.

D. CERTIFICATE(S) OF INSURANCE. Contractor shall provide to County Certificate(s) of Insurance for all required insurance before delivering any Goods and performing any Services required under this Price Agreement. The Certificate(s) must specify all entities and individuals who are endorsed on the policy as Additional Insured (or Loss Payees). Contractor shall pay for all deductibles, self-insured retention and self-insurance, if any.

21. NOTICE.

Except as otherwise expressly provided in this Price Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing, to Contractor or County at the address or number set forth below or to such other addresses or numbers as either party may hereafter indicate in writing. Delivery may be by personal delivery, or mailing the same, postage prepaid.

A. Any communication or notice by personal delivery shall be deemed delivered when actually given to the designated person or representative.

B. Any communication or notice mailed shall be deemed delivered five (5) days after mailing. Any notice under this Price Agreement shall be emailed or mailed by first class postage delivered to:

22. SURVIVAL.

All rights and obligations shall cease upon termination or expiration of this Price Agreement, except for the rights and obligations set forth in sections 2, 9, 10, 11, 12, 13, 15, 16, 17, 18, 19, 21 and 22.

23. SEVERABILITY.

If any term or provision of this Price Agreement is declared illegal or in conflict with any law by a court of competent jurisdiction, the validity of the remaining terms and provisions that shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the Price Agreement did not contain the particular term or provision held to be invalid.

24. CONTRACTOR'S REPRESENTATIONS AND WARRANTIES.

Contractor represents and warrants to the County that:

- A. Contractor has the power and authority to enter into and perform this Price Agreement.
- B. This Price Agreement, when executed and delivered, is a valid and binding obligation of Contractor, enforceable in accordance with its terms.
- C. Contractor (to the best of Contractor's knowledge, after due inquiry), for a period of no fewer than six calendar years preceding the effective date of this Price Agreement, faithfully has complied with:
 - 1. All tax laws of this state, including but not limited to ORS 305.620 and ORS chapters 316, 317, and 318;
 - 2. Any tax provisions imposed by a political subdivision of this state that applied to Contractor, to Contractor's property, operations, receipts, or income, or to Contractor's performance of or compensation for any work performed by Contractor;

- 3. Any tax provisions imposed by a political subdivision of this state that applied to Contractor, or to goods, services, or property, whether tangible or intangible, provided by Contractor; and
- 4. Any rules, regulations, charter provisions, or ordinances that implemented or enforced any of the foregoing tax laws or provisions.

25. CERTIFICATIONS AND SIGNATURE.

THIS PRICE AGREEMENT MUST BE SIGNED IN INK BY AN AUTHORIZED REPRESENTATIVE OF Contractor. The undersigned certifies under penalty of perjury both individually and on behalf of Contractor is a duly authorized representative of Contractor, has been authorized by Contractor to make all representations, attestations, and certifications contained in this Price Agreement and to execute this Price Agreement on behalf of Contractor.

EXHIBIT 1

ATTACHMENT C - COST PROPOSAL SUBMISSION FORM

I (WE), the undersigned, having read all the requirements of this Request for Proposal together with all the Instructions and Specifications set forth herein, do agree in every particular and will furnish Aggregate Materials at the following base prices per ton or per cubic yard, as designated below, on a daily needs basis to Marion County Public Works Department.

Please identify if the original raw aggregate source for each item was a land Quarry or River source by placing a check in the appropriate box. If an Item is supplied from both sources, segregate your quote by attaching a second quote page with pricing for material from the other source. If you have material available in multiple locations, please duplicate this page and complete it for each location.

The Standard Specifications applicable to this RFP and project are located within the 2024 Oregon Standard Specifications for Construction, Parts 00200 through 03000, published by the Oregon Department of Transportation (ODOT) available at the following URL:

https://www.oregon.gov/odot/Business/Specs/2024_STANDARD_SPECIFICATIONS.pdf

The General Conditions applicable to this RFP and project are located within the General Conditions for Construction for Marion County, v2021, Part 00100, available at the Marion County URL:

<https://www.co.marion.or.us/PW/Engineering/Documents/2024%20MCPW%20General%20Conditions.pdf>

SECTION 00190 - MEASUREMENT OF PAY QUANTITIES

Comply with Section 00190 of the Standard Specifications modified as follows:

00190.20(a) General - Replace the paragraph that begins "Unless otherwise provided in the Contract, Pay ..." with the following paragraph:

Unless otherwise provided in the Contract, Pay Items to be measured by weight shall include all Contractor costs for providing, maintaining, inspecting, and testing scales; for furnishing appropriate weigh tickets; for self-printing scales; for electronic weigh memo system(s); and for transporting Materials to the scales or to check weighing.

00190.20(f)(1) Scale with Automatic Printer - Replace the paragraph that begins "If the scales have an automatic weigh memo printer ..." with the following paragraph:

If the scales have an automatic weigh memo printer or an approved electronic weigh memo system that does not require manual entry of gross weight information, the Agency may periodically have a representative at the scales to observe the weighing procedures. In addition, the Engineer may periodically check the weight for a load of Materials by directing the haul vehicle to reweigh on a different scale that has been inspected and certified according to 00190.20(b) and 00190.20(d).

00190.20(f)(2) Scale Without Automatic Printer - Replace the sentence that begins "The Contractor shall inform the Engineer of ..." with the following sentence:

The Contractor shall inform the Engineer of its intent to use a scale without an automatic printer at least 3 working Days before weighing begins or before the Contractor changes to a scale that does not have an automatic printer.

Add the following paragraph after the paragraph that begins "If the scales require manual entry...":

Pay costs for the weigh witness at \$35.00 per hour.

00190.20(f)(3) Duties of Weigh Technician - Replace the bullet that begins "Furnish a legible, serially numbered weigh memo ..." with the following bullets:

- Furnish a legible, serially numbered weigh memo for each load of Materials to the Agency's Materials receiver at the point of delivery, or as directed by the Engineer. The memo shall identify the Project, the Materials, the date, net weight (gross and tare as appropriate), and identification of the vehicle and weigh technician. If approved by the Engineer an electronic weigh memo system may be used. Requests to use an electronic weigh memo system shall be submitted to the Engineer according to 00150.37, providing sufficient detail for the Engineer to perform an evaluation. If approved, the Contractor shall provide training, technical support, reports, and weigh memo information to the Engineer at no additional cost to the Agency. The electronic weigh memo system shall be:
 - Capable of recording and securely retaining the same required "weigh memo" information identified above. For retention see 00170.07(c).
 - Fully integrated with the provided weigh scale system.
 - Designed in such a way that the data electronically read from scales cannot be altered by the Contractor, Subcontractor, Supplier, Engineer, or other system users.
 - Designed to allow the Engineer remote access to all the weigh memo data in real-time and allow the Engineer to add comments to the individual weigh memo regarding waste, temperature, stations, yield or other information. The system shall identify the system user or individual that adds comments to the electronic weigh memo or otherwise access the system. The Contractor shall provide the Engineer a means to access the data if the Engineer cannot use an Agency provided handheld device for access.
 - Capable of providing all the weigh memo information, including any added comments, in an electronic data file the Engineer can easily access without proprietary software.

00190.20(g) Agency-Provided Weigh Technician - Delete this subsection.

00190.30 Plant Scales - Add the following paragraph after the paragraph that begins "The Contractor, with the Engineer's written...":

If approved by the Engineer an electronic weigh memo system may be used in place of a printer system. See 00190.20(f)(3).

SECTION 00330 – EMBANKMENT MATERIAL

Comply with this section modified as follows:

00330.01 Scope – Replace this subsection with the following:

This section includes furnishing various embankment materials required for the construction of a project .

00330.10 Materials – Replace this subsection with the following:

Furnish embankment materials meeting the following requirements:

00330.10(a) Borrow Material - Furnish borrow materials for general embankment construction with soil that is free of unsuitable materials or other characteristics detrimental to the construction of firm dense and sound embankments. Furnish embankment materials for other uses meeting the specified requirements for the use intended.

00330.10(b) Stone Embankment – Furnish stone embankment of durable sand and fractured rock and containing no particle larger than the largest size specified.

00330.80 Measurement – Replace this subsection with the following:

The quantities of borrow material and stone embankment will be measured on the weight basis, on the volume basis according to the following:

(a) Weight Basis – When measurement is by weight, the quantity will be measured in the hauling vehicle.

(b) Volume basis – When measurement is by volume the quantity will be measured in the hauling vehicle.

00330.90 Payment – Replace this subsection with the following:

Pay Item	Unit of Measurement
(a) Pit Run, Borrow Material.....	Ton or Cubic Yard
(b) 3" – 0, Stone Embankment.....	Ton or Cubic Yard
(c) 6" – 3", Stone Embankment.....	Ton or Cubic Yard
(d) 8" – 3", Stone Embankment.....	Ton or Cubic Yard
(e) 10" – 6", Stone Embankment.....	Ton or Cubic Yard

Payment will be payment in full for furnishing embankment materials, and for furnishing all equipment, labor and incidentals necessary to furnish borrow material and stone embankment.

When materials are delivered by others, payment will be paid for at the contract unit price per unit if measurement as follows:

- (a) Miles.....Ton or Cubic Yard
- (b) Time Basis.....hours

SECTION 00390 - RIPRAP PROTECTION

Comply with Section 00390 of the Standard Specifications modified as follows:

00390.00 Scope – Replace this subsection with the following:

furnish rock for loose riprap that is angular in shape. Furnish rock for loose riprap meeting the following requirements:

- o Thickness of a single rock shall not be less than one-third of its length.

- Be free from overburden, spoil, shale and organic material. Nondurable rock, shale or rock with shale seams is not acceptable.

(a) Gradation Requirements – Grade loose riprap by class and weight of rock according to the following:

Class	Class	Class	Class	Class	
50	100	200	700	2000	
Weight of Rock (Pounds)					Percent
					(by Weight)
50 - 30	100 - 60	200 - 140	700 - 500	2000 - 1400	20.0
30 - 15	60 - 25	140 - 80	500 - 200	1400 - 700	30.0
15 - 2	25 - 2	80 - 8	200 - 20	700 - 40	40.0
2 - 0	2 - 0	8 - 0	20 - 0	40 - 0	10.00 - 0

Uniformly grade each load of riprap from the smallest to the largest weight specified. Control of gradation will be by visual inspection.

00390.80 Measurement – Replace this subsection with the following:

Riprap will be measured on the weight basis in the hauling vehicle.

00390.90 Payment – Replace this subsection with the following:

The accepted quantities of riprap will be paid for at the contract unit price, per unit of measurement for the following items:

Pay Item	Unit of Measurement
(a) Riprap, Class 50.....	Ton
(b) Riprap, Class 100.....	Ton
(c) Riprap, Class 200.....	Ton
(d) Riprap, Class 700.....	Ton
(e) Riprap, Class 2000.....	Ton

When riprap delivered by others, payment will be paid for at the contract unit price, per unit of measurement as follows:

(a) Riprap.....Ton or Cubic Yard

(b) Time Basis.....Hour

Payment will be payment in full for furnishing all labor and equipment necessary to produce and furnish riprap as specified.

No separate or additional payment will be made for loading riprap into county trucks.

SECTION 00641 - AGGREGATE SUBBASE, BASE, AND SHOULDERS

Comply with Section 00641 of the Standard Specifications modified as follows:

00641.00 Scope – Replace this subsection with the following:

This section consists of the requirement for crushed aggregates and sand. Furnish aggregates that are angular, uniformly graded and sized as specified. The aggregates shall conform to the grading requirements to 00641.10(a). Sand shall be free of organic impurities.

Add the following subsection:

00641.01 Definitions

Crushed Round Rock – A source of rock that is typically a round cobble and does not require being “shot” or “blasted” to extract from a source before crushing.

Crushed Quarry Aggregate – A source of rock that is required to be “shot’ or “blasted” to extract from a source before crushing. Round rock with a diameter of 4 inches or larger before crushing may be used with the Operations Division Manager’s Approval.

00641.10 Materials – Replace this subsection with the following:

Dense graded base aggregate and shoulder aggregate shall be crushed rock, including sand. Uniformly grade the aggregate from course to fine. Sieve analysis shall be determined according to AASHTO T 27. The aggregates shall conform to one of the grading requirements of 00641.15(1).

Add the following subsection:

00641.15 Quality Control – Furnish aggregates meeting the following requirements:

(a) - Dense Graded Aggregate - Furnish aggregate meeting one of the following requirements:

**Grading Requirements
Separated Sizes**

Sieve Size	2 1/2" - 0	2" - 0	1 1/2" - 0	1" - 0	3/4" - 0	1/4" - 0
Percent Passing (by Weight)						
3"	100					
2 1/2"	95 - 100	100				
2"	-	95 - 100	100			
1 1/2"	-	-	95 - 100	100		
1 1/4"	55 - 75	-	-			
1"	-	55 - 75	-	90 - 100	100	
3/4"	-	-	55 - 75		90 - 100	
1/2"	-	-	-	55 - 75	-	
3/8"	-	-	-	-	55 - 75	100
1/4"	30 - 40	30 - 40	35 - 50	40 - 55	40 - 60	85 - 100
No. 4 ¹	-	-	-	-	-	-
No. 10	2	2	2	2	2	2

1 - Report percent passing sieve when no grading requirements are listed

2 - Of the fraction passing the 1/4 inch sieve, 40 percent to 60 percent shall pass the No. 10 sieve.

(b) Durability - The produced aggregates shall meet the following requirements:

Test	Test Method	Requirements
Abrasion	AASHTO T 96	35.0% Maximum
Degradation (Course Aggregate) Passing No. 20 Sieve	ODOT TM 208	30.0% Maximum
Sediment Height	ODOT TM 208	3.0 Maximum
Sand Equivalent	AASHTO T 176	Not less than 30% sand equivalent

(c) Fracture of Round Rock - Fracture of rounded rock shall be determined according to AASHTO T 335. Provide at least one fractured face based on the following percentage of particles retained on the 1/4 inch sieve for the designated size:

**Minimum Percent of Fractured Particles
(by weight)**

Designated Size	Retained on 1/4" Sieve
1 1/2" - 0 and larger	50
Smaller than 1 1/2" - 0	70

00641.12 Limits of Mixture - Replace this subsection with the following:

Provide a mixture of aggregates and water that provide a uniform moisture content, sufficient to obtain maximum compaction. Water shall be added after the truck is loaded and weighed.

0641.80 Measurement – The quantities of recycled asphalt products will be measured on the weight or volume basis according to the following:

(a) Weight Basis – When measurement is by weight, the quantity will be measured in the hauling vehicle.

(b) Volume basis – When measurement is by volume the quantity will be measured in the hauling vehicle.

00641.90 Payment – The accepted quantities of aggregates will be paid for at the contract unit price, per unit of measurement, for the following items:

Pay item	Unit of Measurement
(a) Aggregate Base, 2 1/2" - 0.....	Ton or Cubic Yard
(b) Aggregate Base, 2" - 0.....	Ton or Cubic Yard
(c) Aggregate Base, 1 1/2" - 0.....	Ton or Cubic Yard
(d) Aggregate Base, 1" - 0.....	Ton or Cubic Yard
(e) Aggregate Base, 3/4" - 0.....	Ton or Cubic Yard
(f) Aggregate Base, 1/4" - 0.....	Ton or Cubic Yard

Payment will be payment in full for furnishing all equipment and labor necessary to furnish the aggregates.

No additional payment will be made for the following:

- Loading aggregate into County trucks
- Stockpiling aggregates
- Water

Payment for aggregate base delivered by others will be paid for by the ton per mile or cubic yard per mile basis, or per hour as listed in the contract bid schedule.

SECTION 00645 - RECYCLED ASPHALT PRODUCTS IN BASE

Section 00645, which is not a Standard Specification, is included in this Project by Special Provision.

00645.00 Scope – This section includes recycled asphalt pavement

00645.01 Acronyms

- RAP – Recycled Asphalt Product

00645.10 Materials – Furnish recycled RAP of designated size from stockpiles except discard hardened lumps exceeding 1 inch on any measured face or reprocess to achieve desired maximum size limit.

Acceptance of RAP will be by visual inspection.

00645.41 Loading Materials – Load RAP into hauling vehicle without compacting material remaining in stock pile.

00645.80 Measurement – The quantities of RAP will be measured on the weight or volume basis according to the following:

(a) Weight Basis – When measurement is by weight, the quantity will be measured in the hauling vehicle.

(b) Volume basis – When measurement is by volume the quantity will be measured in the hauling vehicle.

The Agency will specify the method of measurement “ton” or “cubic yard” when ordering RAP.

00645.90 Payment – The accepted quantities of recycled products will be paid for at the contract unit price according to the following:

Pay Item	Unit of Measurement
-----------------	----------------------------

(a) Recycled Asphalt Product (RAP)	Ton or Cubic Yard
--	-------------------

Payment will be payment in full furnishing RAP, and for furnishing all equipment, labor and incidentals necessary to provide RAP as specified.

Payment for RAP delivered by others will be paid by the ton/per mile, cubic yard/per mile, or time basis per hour as listed in the contract bid schedule.

SECTION 00718 - SAND

Section 00718, which is not a Standard Specification, is included in this Project by Special Provision.

00718.01 Scope – Furnish commercially available sand and sanding rock.

00718.10 Materials – Furnish sand from natural or crushed aggregate or other inert material consisting of hard strong durable pieces, meeting the following gradation:

Furnish sanding rock from natural or crushed aggregate or other inert material consisting of hard strong durable pieces, meeting the following gradation:

Sieve Size	Percent Passing	Stockpile Tolerance
1/4	100	0
3/8	100	0
No. 4	90 - 100	+/- 5%

No. 8	65 - 90	+/- 5%
No. 10	0-10	+/- 5%
No. 16	45 - 70	+/- 5%
No. 30	30 - 50	+/- 5%
No. 50	18 - 30	+/- 4%
No. 100	10 - 21	+/- 3%
No. 200	5.0 - 15.0	+/- 2.0%

00718.11 Different Sources – Do not mix sand or sanding rock from different sources.

00718.40 Acceptance – Acceptance will be by visual inspection.

00718.80 Measurement – The quantities of sand and sanding rock will be measured on the weight or volume basis according to the following:

(a) Weight Basis – When measurement is by weight, the quantity will be measured in the hauling vehicle.

(b) Volume basis – When measurement is by volume the quantity will be measured in the hauling vehicle.

00718.90 Payment – The accepted quantities sand and sanding rock will be paid for at the contract unit price, per unit of measurement as follows:

Pay Item	Unit of Measurement
Sand.....	Ton or Cubic Yard
Sanding Rock.....	Ton or Cubic Yard

Payment will be payment in full for furnishing all equipment, labor and incidentals necessary to furnish sand and sanding rock.

Payment for sand and sanding rock delivered by others will be paid for by the ton per mile, or cubic yard per mile, or time basis per hour as listed in the contract bid schedule.

PUBLIC CONTRACTS - ORS CHAPTER 279B

1.1.1 As required for public contracts subject to ORS Chapter 279B, the Proposer must comply with the following:

1.1.1.1 Proposer shall not employ any person performing work under this Price Agreement for more than ten hours in any one day, or 40 hours in any one week, except in cases of necessity, emergency, or where the public policy absolutely requires it. Proposer shall pay all individuals performing work under this Price Agreement at least time-and-a-half pay:

- for all overtime in excess of eight hours a day or 40 hours in any one week when the work week is five consecutive days, Monday through Friday;

- for all overtime in excess of 10 hours a day or 40 hours in any one week when the work is four consecutive days, Monday through Friday; and
- for all work performed on Saturday or Sunday and any legal holiday specified in ORS 279B.020.

1.1.1.2 Proposer must give notice to employees who work on a public contract in writing, either at the time of hire or before commencement of work on the contract, or by posting a notice in a location frequented by employees, of the number of hours per day and days per week that employees may be required to work.
