I would like to be considered for the Advisory Board position on
(lay or representative designation)
the Marion County Public Safety Coordinating Council
(name of committee, board, council, task force or commission)

The reason I am applying for this appointment is
Try to replace the excellant involvement of Rob Caxney who unfortuantly is moving to Vancouver.

The personal and professional interests that prompted me to apply for this appointment are
Continue the representation that our community of Woodburn currently has with Rob and Pete McCallum. As Mayor of Woodburn I see the need for strong representation amongst this very important Council.

Have you served on any other Marion County board, commission, committee, council, or task force? (If yes, please list)

- 1. Mid Willamette Valley Community Action
- 2. Mid Willamette Valley COG

Please list qualifications and skills you have which you believe would be valuable if you are appointed to this position (include relevant skills, activities, training, and education)

As a buisness manager and owner for over forty years I realize othe importance of providing a safe work environment for my employees. As Mayor of Woodburn it is essential to have a strong team of first responders that is highly skilled and experinced in serving our community and county. I meet frequently with both our Police Chief and Fire Chief.

What community or school activities, committees or special activities have you participated in?

Served over thirty years on boards, commissions, councils and now Mayor for the City of Woodburn. Boy Scout: Scout Master, baseball coach and past president of the league.
