

MARION COUNTY BOARD OF COMMISSIONERS

Board Session Agenda Review Form

Meeting date: April 10, 2024

Department: Legal Counsel

Title: Public hearing to consider petition for annexation of certain property to the Santiam Water Control District

Management Update/Work Session Date: MU: 3/19/24 Audio/Visual aids []

Time Required: 30 min. Contact: Scott Norris - Legal Counsel Phone: ext. 5690

Requested Action: Conduct public hearing on petition for annexation of certain property to the Santiam Water Control District, and thereafter adopt order annexing said property to the district.

Issue, Description & Background: Several property owners wish to have their property annexed into the Santiam Water Control District (SWCD). Annexations of property into a special district by petition of the property owner (s) are governed by ORS 198.857. An annexation petition is filed with the county governing body for the county where the district is located. Before a petition can be filed with the county, the petition must be approved by the governing body of the district. The district has provided a copy of district Resolution 2023-4 approving the annexation. Upon submission of a petition, the county governing body shall hold a public hearing to consider the petition. If the petition is approved, the county governing body enters an order describing the boundaries of the annexed land and declaring the land annexed to the district.

Financial Impacts: Annexed properties will be able to enter into irrigation contracts with SWCD and thereby be subject to district assessments (the district does not have a permanent rate).

Impacts to Department & External Agencies: The district will add new customers and territory by way of annexation. The subject properties will be subject to any rules and regulations of the district.

List of attachments: 1. Petition; 2. District Resolution 2023-4; 3. Form of order approving the annexation.

Presenter: Scott Norris - Legal Counsel
