Title: IGA - Marion County Ferry Boat Catwalk for Buena Vista (Polk County)

Contractor's Name: Oregon Department of Transportation

Term - Date From: June 12, 2023 Expires: June 21, 2024

Original Contract Amount: \$563,019.63 Previous Amendments Amount: \$0.00

Current Amendment: \$0.00 New Contract Total: \$563,019.63 Amd% 0%

Incoming Funds Federal Funds Reinstatement Retroactive Amendment greater than 25%

Source Selection Method: 50-0010 General Exemptions (IGAs and QRFs) icitation Num

Description of Services or Grant Award

Marion County receives Federal Ferry Boat Program funds for the Wheatland and Buena Vista ferries. These funds may be used for vessel improvements, crossing operational improvements, rehabilitation work at either ferry, day to day operations or routine maintenance of the ferries.

Marion County has elected to use some of these funds for operational improvements at the Buena Vista ferry consisting of installing two full wrap around catwalks on the Polk tower. Having catwalks at both towers will improve worker safety during tower and cable maintenance operations.

TITLE: Marion County Ferry Boat Catwalks for Buena Vista (Polk County), Agreement No. 73000-00016307 with the Oregon Department of Transportation (ODOT)

Issue, Description & Background: Marion County receives Federal Ferry Boat Program funds for the Wheatland and Buena Vista ferries. These funds may be used for vessel improvements, crossing operational improvements, rehabilitation work at either ferry, day to day operations or routine maintenance of the ferries. Marion County has elected to use some of these funds for operational improvements at the Buena Vista ferry consisting of installing two full wrap around catwalks on the Polk tower. Having catwalks at both towers will improve worker safety during tower and cable maintenance operations. The Federal Grant received includes a total project estimate of \$563,019.63, which includes both Federal and County funds, for the design, procurement and construction of this project. Federal funds are limited to \$450,415.71.

Financial Impacts: The total estimated cost for this project is \$563,019.63 of which \$450,415.71 will be paid with Federal Funds. The remaining \$112,603.90 will be paid with County funds.

Impacts to Department & External Agencies: There are no impacts to other Marion County departments.

Options for Consideration: 1. Approve and sign Agreement No. 73000-00016307 with ODOT 2. Take no action at this time.

Recommendation: Public Works staff recommends that the Board choose option one and approve and sign the agreement with ODOT.

List of attachments: Agreement No. 73000-00016307 Contract Review Sheet

**Oregon Department of Transportation
LOCAL AGENCY CERTIFICATION PROGRAM**

Supplemental Project Agreement No. 73000-00016307

Project Name: Marion County Ferry Boat Catwalk for Buena Vista (Polk County)

THIS SUPPLEMENTAL PROJECT AGREEMENT (Agreement) is made and entered into by and between THE STATE OF OREGON, acting by and through its Department of Transportation, hereinafter referred to as "State" or "ODOT," and MARION COUNTY acting by and through its elected officials, hereinafter referred to as "Agency," both herein referred to individually as "Party" or collectively as "Parties."

RECITALS

1. By the authority granted in Local Agency Certification Program Agreement No. 30634 (Local Agency Certification Program Agreement), executed on April 12, 2016 and Amendment No. 1 on August 29, 2016, incorporated herein and by this reference made a part hereof, State may enter into this Agreement with Agency for the performance of work on this improvement project. The Certification Program allows State to certify a Local Agency's procedures, and delegates authority to the certified Local Agency to administer federal-aid projects.
2. Certification status information as of the date of execution of this Agreement:
 - a. Agency is fully certified in the following functional area(s):
 - direct appoint consultant selection
 - design (excluding bridge design)
 - "advertise, bid, and award" for construction contracts
 - construction contract administration
 - b. Agency is conditionally certified in the following functional area:
 - bridge design

However, the project described in this Agreement is not one of the test projects described in the Local Agency Certification Program Agreement for the functional area listed in this subsection.
 - c. Agency has had its Americans with Disabilities Act (ADA)-related design exception and curb ramp inspection processes reviewed and approved by ODOT and the Federal Highway Administration (FHWA) for use on federally-funded projects.
3. Willamette Ferry Street is a part of Polk County's road system under the jurisdiction and control of Polk County. The Buena Vista Ferry connects Marion County and Polk County across the Willamette River and is under the jurisdiction and control of Marion County.

4. The project was selected as a part of the Ferry Boats and Terminals Program and may include a combination of federal, state, and local funds. "Project" is defined under Terms of Agreement, paragraph 1 of this Agreement.

NOW THEREFORE, the premises being in general as stated in the foregoing Recitals, it is agreed by and between the Parties hereto as follows:

TERMS OF AGREEMENT

1. Under such authority, State and Agency agree to Agency delivering the Marion County Ferry Boat Catwalk for Buena Vista (Polk County) project, hereinafter referred to as the "Project." The Project includes the design and construction phases of a catwalk at the ferry boat terminal on the Polk County side of the river. The location of the Project is shown on the sketch map attached hereto, marked "Exhibit A," and by this reference made a part hereof.
2. The Total Project Cost is estimated at \$563,019.63, which is subject to change. Federal funds for the Project shall be limited to \$450,415.71. Agency shall be responsible for all remaining costs, including any non-participating costs, all costs in excess of the federal or state funds, and the 20 percent (20%) match for all eligible costs. Any unused federal or state funds obligated to the Project will not be paid out by State, and will not be available for use by Agency for this Agreement or any other projects. "Total Project Cost" means the cost to complete the entire Project, and includes any federal funds, state funds, local matching funds, and any other funds. Agency will report the final cost of each phase of the Project at the completion of each phase, as well as the Total Project Cost at the end of the Project, to ODOT Regional Local Agency Liaison.
3. Federal funds under this Agreement are provided under Title 23, United States Code.
4. If State performs work on the Project, State will provide to Agency a preliminary estimate for the cost of State's work. Prior to the start of each Project phase, State will provide to Agency an updated estimate of State's costs from that phase. Such phases generally consist of Preliminary Engineering, Right of Way, Utility, and Construction. Agency understands that State's costs are estimates only and agrees to reimburse State for actual costs incurred per the Terms of this Agreement.
5. Agency shall make all payments for work performed on the Project, including all construction costs, and invoice State for one-hundred percent (100%) of its costs. State shall reimburse approved Agency invoices at the pro-rated federal share of 80 percent (80%). All costs beyond the federal and state reimbursement and any non-participating costs are the responsibility of Agency, and will not be reimbursed by State. State shall invoice FHWA and Agency for work provided as part of the Project. Agency agrees to reimburse State for work performed for the Project upon receipt of invoices. Failure of Agency to make such payments to State may result in State withholding Agency's proportional allocation of State Highway Trust Funds until such

costs are paid. Agency understands that State's costs are estimates only and agrees to reimburse State for the actual amount expended.

6. Agency guarantees the availability of Agency funding in an amount required to fully fund Agency's share of the Project.
7. This Agreement is subject to the terms and provisions of the Local Agency Certification Program Agreement.
8. Information required by 2 CFR 200.332(a)(1) shall be contained in the USDOT FHWA Federal-Aid Project Agreement for this Project, a copy of which shall be provided by State to Agency with the Notice to Proceed.
9. Indirect Cost Rate:
 - a. As required by 2 CFR 200.332(a)(4), the indirect cost rate for this Project at the time the Agreement is written is 8.1763 percent (8.1763%). This rate may change during the term of this Agreement upon notice to ODOT and ODOT's subsequent written approval.
 - b. If the approved rate(s) change(s) during the term of this Agreement, Agency shall invoice ODOT for the Project using the current indirect cost rate(s) on file with ODOT at the time the work is performed. If Agency does not have approved indirect cost rate(s) on file with ODOT at the time the work is performed, Agency shall invoice ODOT using a zero percent (0%) rate.
10. Agency Work on the Project:
 - a. Agency shall perform the following functional area(s) in which Agency is fully certified and as authorized by the Local Agency Certification Program Agreement:
 - direct appoint consultant selection
 - design (excluding bridge design)
 - "advertise, bid, and award" for construction contracts
 - construction contract administration
11. Ferry Boat Program Requirements:
 - a. Agency shall submit quarterly reports and design plans to State's Ferry Boat Program Manager Holly Winston, Senior Local Bridge Standards Engineer, available at Holly.M.Winston@odot.oregon.gov.
 - b. The Certification Program Office will provide, and Agency shall submit, quarterly progress reports using the Certified Local Public Agency Quarterly Report form 734-5034 (Quarterly Report), attached hereto by reference and made a part of this

Agreement. Quarterly Reports are due by April 20 for the period January through March, July 20 for the period April through June, October 20 for the period July through September, and January 20 for the period October through November. Quarterly Reports shall be submitted in accordance with the Quarterly Report form instructions and with an email to copy to State's Ferry Boat Program Manager until State issues the Project Authorization document. A sample Quarterly Report form and instructions are available at the following website under "Compliance – Forms & Guidance": <https://www.oregon.gov/ODOT/LocalGov/Pages/Certification-Guidance-Forms.aspx#applications>.

- c. The applicable design approval process and milestones that apply to the Project are those described in Section C, Chapter 10 of Design Acceptance of the ODOT Local Agency Guidelines for Certified Local Public Agencies.
 - d. For informational purposes, and to show Project progress, Agency shall copy State's Ferry Boat Program Manager on the following design set submission to State's Local Agency Liaison: Design Acceptance Package (DAP) and Final Plans.
12. State will submit requests for federal funding to FHWA. The federal funding for the Project is contingent upon approval by FHWA of each funding request. Any work performed outside the period of performance and scope of work approved by FHWA will be considered nonparticipating and shall be paid for at Agency expense.
 13. State's Regional Local Agency Liaison or designee will provide Agency with a written notice to proceed for each phase of the Project when FHWA approval has been secured and when funds are available for expenditure on the Project.
 14. State considers Agency a subrecipient of the federal funds it receives as reimbursement under this Agreement. The Catalog of Federal Domestic Assistance (CFDA) number and title for this Project is 20.205, Highway Planning and Construction.
 15. The term of this Agreement shall begin on the date all required signatures are obtained and shall terminate upon completion of the Project and final payment or ten (10) calendar years following the date all required signatures are obtained, whichever is sooner.
 16. Reserved.
 17. If Agency fails to meet the requirements of this Agreement or the underlying federal regulations, State may withhold Agency's proportional share of Highway Fund distribution necessary to reimburse State for costs incurred by such Agency breach.
 18. State may conduct periodic inspections during the useful life of the Project to verify that the Project is being properly maintained and continues to serve the purpose for which federal funds were provided.

19. State and Agency agree that the useful life of the Project is twenty (20) years.
20. By signing this Agreement, Agency agrees to comply with the provisions of the Federal Funding Accountability and Transparency Act (FFATA) and is subject to the following award terms: <http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf> and <http://edocket.access.gpo.gov/2010/pdf/2010-22706.pdf>. If, in the preceding fiscal year, Agency received more than 80 percent (80%) of its gross revenues from the federal government, those federal funds exceed \$25,000,000 annually, and the public does not have access to information about the compensation of executives through reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986, Agency shall report the total compensation and names of its top five executives to State. Agency shall report said information to State within 14 calendar days of execution of this Agreement and annually thereafter, utilizing the FFATA form attached hereto and marked as "Exhibit B."

21. **Americans with Disabilities Act Compliance:**

- a. **General:** Agency agrees to comply with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 as amended (together, "ADA") as identified in paragraph 1 of the **General Provisions** section of the Local Agency Certification Program Agreement.
- b. **ADA Design Standards, Construction Specifications, and Inspections:** Agency agrees to comply with the design and construction standards, and the design exception documentation and approval requirements agreed to in the **Standards** section of the Local Agency Certification Program Agreement. In addition, with respect to ADA-related design standards, design exception approvals, construction specifications, and inspections, Agency agrees to comply with the following:
- i. For portions of the Project on or along the Oregon State Highway System (state highway), Agency shall apply ODOT's current ADA-related design standards, construction specifications, and design exception documentation and approval requirements for design, construction, or alteration of Project sidewalks, curb ramps, and pedestrian-activated signals, as applicable to the Project, **including using the ODOT Highway Design Manual, ODOT Design Exception process, ODOT Standard Drawings, ODOT Construction Specifications, and providing a temporary pedestrian accessible route plan and current ODOT Curb Ramp Inspection form.** Agency further agrees to utilize ODOT standards to assess and ensure Project compliance with the ADA, and to document ramp inspections per subsection (c.)(i.) below. Design exceptions on State-owned facilities must be approved by State. For project locations on or along State-owned portions of the National Highway System ("NHS") design exceptions must be approved by State and/or FHWA.
 - ii. For portions of the Project **not** on or along a state highway, including locally-owned portions of the NHS, Agency shall apply its own ADA-compliant design

standards, construction specifications, design exception documentation and approval process, and inspection documentation process, as approved by State and FHWA for use on federally funded projects.

- c. **ADA Inspection Forms:** Prior to issuing the Second Notification, per Oregon Standard Specification 00180.50(g) or Agency's approved equivalent, Agency agrees to submit to State the following:
- i. For all curb ramps constructed or altered as part of this Project on or along a state highway, submit completed ODOT Curb Ramp Inspection Form 734-5020 to the address on the form as well as to State's Regional Local Agency Liaison. The completed form is the required documentation from Agency that each curb ramp meets ODOT standards and is ADA compliant. ODOT's fillable Curb Ramp Inspection Form 734-5020 and instructions are available at the following website:

<https://www.oregon.gov/ODOT/Engineering/Pages/Accessibility.aspx>
 - ii. For all curb ramps not located on or along a state highway, Agency shall complete and keep on file Agency's ODOT- and FHWA-approved ADA curb ramp inspection form (or other approved document) to show that each Project curb ramp meets Agency's curb ramp standards and is ADA compliant or conforms to Agency's approved ADA design exception.
- d. **State Inspection:** Agency shall promptly notify State of Project completion and allow State to inspect Project sidewalks, curb ramps, and pedestrian-activated signals, as applicable to the Project, located on or along the a state highway prior to acceptance of Project by Agency and prior to release of any Agency contractor.
- e. **Work Zone Access:** Agency shall ensure that temporary pedestrian routes are provided through or around any Project work zone in accordance with the applicable ODOT or Agency Standards, as set forth in subsections (a) through (c) above. For any work zone on or along the state highway, any such temporary pedestrian route shall include directional and informational signs and include accessibility features equal to or better than the features present in the existing pedestrian facility. Agency shall also ensure that advance notice of any temporary pedestrian route on or along the state highway is provided in accessible format to the public, people with disabilities, and disability organizations at least ten (10) days prior to the start of construction in accordance with ODOT standards and processes.
- f. **Reimbursement:** Unless Agency has an approved design exception, State will reimburse Agency only for work that meets the applicable ODOT or Agency standards as set forth in subsections (a) through (c) above, regardless of whether the work is on a State-owned or an Agency-owned facility.
- g. **On-going Maintenance Obligation:** Agency shall ensure that any portions of the Project under Agency's maintenance jurisdiction are maintained in compliance with

the ADA throughout the useful life of the Project. This includes, but is not limited to, Agency ensuring that:

- i. Pedestrian access is maintained as required by the ADA,
- ii. Any complaints received by Agency identifying sidewalk, curb ramp, or pedestrian-activated signal safety or access issues are promptly evaluated and addressed,
- iii. Agency, or abutting property owner, pursuant to local code provisions, performs any repair or removal of obstructions needed to maintain the facility in compliance with the ADA requirements that were in effect at the time the facility was constructed or altered,
- iv. Any future alteration work on Project or Project features during the useful life of the Project complies with the ADA requirements in effect at the time the future alteration work is performed, and
- v. Applicable permitting and regulatory actions are consistent with ADA requirements.

h. **Survival:** Maintenance obligations in this section shall survive termination of this Agreement.

22. Agency shall ensure compliance with the Cargo Preference Act and implementing regulations (46 CFR Part 381) for use of United States-flag ocean vessels transporting materials or equipment acquired specifically for the Project. Strict compliance is required, including but not limited to the clauses in 46 CFR 381.7(a) and (b) which are incorporated by reference. Agency shall also include this requirement in all contracts and ensure that contractors include the requirement in their subcontracts.

23. Reserved.

24. To the fullest extent permitted by law, and except to the extent otherwise void under ORS 30.140, Agency shall require its contractor(s) and subcontractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save, and hold harmless the State of Oregon, Oregon Transportation Commission and its members, Department of Transportation and its officers, employees, and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260 (hereinafter, referred to individually and collectively as "Claims"), to the extent such Claims are caused, or alleged to be caused by the negligent or willful acts or omissions of Agency's contractor or any of the officers, agents, employees, or subcontractors of the contractor. It is the specific intention of the Parties that State shall, in all instances, except to the extent Claims arise from the negligent or willful acts or omissions of State, be indemnified for all Claims caused or alleged to be caused by the contractor or its subcontractors.

25. Any such indemnification shall also provide that neither Agency's contractor nor subcontractor nor any attorney engaged by Agency's contractor or subcontractor shall defend any claim in the name of the State of Oregon or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State of Oregon may, at any time at its election, assume its own defense and settlement in the event that it determines that Agency's contractor is prohibited from defending the State of Oregon, or that Agency's contractor is not adequately defending the State of Oregon's interests, or that an important governmental principle is at issue or that it is in the best interests of the State of Oregon to do so. The State of Oregon reserves all rights to pursue claims it may have against Agency's contractor if the State of Oregon elects to assume its own defense.
26. This Agreement may be terminated by mutual written consent of both Parties.
27. State may terminate this Agreement effective upon delivery of written notice to Agency, or at such later date as may be established by State, under any of the following conditions:
- a. If Agency fails to provide services called for by this Agreement within the time specified herein or any extension thereof.
 - b. If Agency fails to perform any of the other provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and after receipt of written notice from State, fails to correct such failures within ten (10) days or such longer period as State may authorize.
 - c. If Agency fails to provide payment of its share of the cost of the Project.
 - d. If State fails to receive funding, appropriations, limitations, or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement.
 - e. If federal or state laws, regulations, or guidelines are modified or interpreted in such a way that either the work under this Agreement is prohibited or if State is prohibited from paying for such work from the planned funding source.
28. Any termination of this Agreement shall not extinguish or prejudice any rights or obligations accrued to the Parties prior to termination.
29. Notwithstanding anything in this Agreement or implied to the contrary, the rights and obligations set out in **Terms of Agreement, Paragraphs 17 (withholding of highway funds), 18 (periodic inspections), 21.g-h (ADA), 24-25 (subcontractor indemnification), 28 (termination does not extinguish rights), 29 (survival), 30 (violation of federal requirements), 31 (severability), 32 (State's right to enter),**

and 35 (merger, waiver, modification) of this Agreement shall survive Agreement expiration or termination, as well as any provisions of this Agreement that by their context are intended to survive.

30. Agency, as a recipient of federal funds, pursuant to this Agreement with State, shall assume sole liability for Agency's breach of any federal statutes, rules, program requirements, and grant provisions applicable to the federal funds, and shall, upon Agency's breach of any such conditions that require State to return funds to the FHWA, hold harmless and indemnify State for an amount equal to the funds received under this Agreement; or if legal limitations apply to the indemnification ability of Agency, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
31. State and Agency hereto agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal, or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
32. Agency grants State or others designated by State the right to enter onto Agency right of way for the performance of duties as set forth in this Agreement.
33. Agency certifies and represents that each individual signing this Agreement has been authorized to enter into and execute this Agreement on behalf of Agency, under the direction or approval of its governing body, commission, board, officers, members, or representatives, and to legally bind Agency.
34. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
35. This Agreement, the Local Agency Certification Program (Certification Program) Agreement No. 30634, as amended, and all attached exhibits constitutes the entire agreement between the Parties on the subject matter hereof. In the event of conflict, the body of this Agreement and the attached exhibits will control over Project application and documents provided by Agency to State. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of State or Agency to enforce any provision of this Agreement shall not constitute a waiver by State of that or any other provision. Notwithstanding this provision, the Parties may enter into a Right of Way Services Agreement in furtherance of the Project.

CONTACTS

1. State's Regional Local Agency Liaison for this Agreement is Aleks Lemeza, Transportation Project Manager; 455 Airport Road SE, Salem, Oregon 97301; 503-509-3067; Aleksey.A.Lemeza@odot.oregon.gov, or assigned designee upon individual's absence. State shall notify the other Party in writing of any contact information changes during the term of this Agreement.
2. Agency's Project Liaison for this Agreement is Steve Preszler, PE, Project Engineer; 5155 Silverton Road NE, Salem, Oregon 97305; 503-365-3157; spreszler@co.marion.or.us, or assigned designee upon individual's absence. Agency shall notify the other Party in writing of any contact information changes during the term of this Agreement.

THE PARTIES, by execution of this Agreement, hereby acknowledge that their signing representatives have read this Agreement, understand it, and agree to be bound by its terms and conditions.

This Project is in the 2021-2024 STIP, (Key No. 23408) that was adopted by the Oregon Transportation Commission on July 15, 2020 (or subsequently approved by amendment to the STIP).

Exhibit A – Project Location Map

**Exhibit B - Federal Funding Accountability and Transparency Act (FFATA)
Subaward Reporting**

(For purposes of this Exhibit, references to “your organization” shall mean “Agency” and references to “ODOT” shall mean “State.”)

The Oregon Department of Transportation (ODOT) is required to fulfill a federal requirement for contracting under the Federal Funding Accountability and Transparency Act (FFATA) Subaward Reporting System (FSRS). FFATA reporting is a requirement for subawards (also known as subrecipients) of federal awards in excess of \$25,000,000. If your organization enters into an agreement with ODOT where the funding source is a federal grant with a subrecipient relationship, your organization is required to submit the information below to ODOT within fourteen (14) calendar days of execution of the Agreement and annually thereafter, if applicable. (See the following page for further details.)

Legal Entity Name: _____

Unique Entity ID (UEI) Number: _____

Executive compensation

Executive compensation information is required to determine whether or not the following information must be reported in FSRS:

- a. In your organization’s previous fiscal year, did your organization receive 80% or more of its annual gross revenue and \$25,000,000 or more in federal procurement contracts, subcontracts, loans, grants, subgrants, cooperative agreements, and federal financial assistance awards subject to the Transparency Act? (Include parent organization, all branches, and all affiliates worldwide.)
 Yes No If “Yes,” proceed to b. If “No,” no further action is required and submittal of this form is not required.
- b. Does the public have access to information about the compensation of the senior executives in your organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?
 Yes No If “Yes,” provide a link to the SEC: <http://www.sec.gov> where this information is located and return form to the ODOT contact shown at the bottom of this form. Provide link here:
If “No,” provide compensation information below.

Names and annual compensation amounts of the five most highly compensated executives:

1.	\$
2.	\$
3.	\$
4.	\$
5.	\$

Business entity contact information (person completing form):

Name	Title	Date
Return completed form to: Alice Bibler, Program and Funding Services Manager; Oregon Department of Transportation; 555 13 th Street NE; Salem, OR 97301; Alice.Bibler@odot.oregon.gov		

Background on FFATA Requirements

The FFATA was signed on September 26, 2006. The intent of the Act is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Definition of Compensation

Your organization is considered a subrecipient of federal funds. Unless your organization is exempt, FFATA requires you to report total compensation for each of your five most highly compensated executives for the preceding completed year. Total compensation means the cash and non-cash dollar value earned by the executive during the subrecipient's preceding fiscal year and includes the following: salary and bonus; awards of stock, stock options, and stock appropriation rights; earnings for services under non-equity incentive plans; change in pension value; above-market earnings on deferred compensation which is not tax-qualified; and other compensation as defined in 2 CFR Part 170, Section 170.330(b)(5)(vi).

More detailed information about the FFATA can be found at: <http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf>
