PREA Volunteer and Contractor Information Acknowledgement Form

Our goal at The Marion County Sheriff's Office is to keep everyone safe. Part of achieving that goal is making sure everyone understands how to prevent, detect, and respond to sexual misconduct. All Contractors, Volunteers and Employees must understand PREA (Prison Rape Elimination Act) rules and how to report a problem, or issue in the unlikely event misconduct is witnessed or reported by a victim.

Important Rules to Know: No one is ever allowed to engage in sexual misconduct.

- Sexual misconduct includes any kind of sexual contact, regardless of whether the other party agreed to the contact or not.
- This also includes sexual harassment: saying sexual things, saying things about someone's body, talking about whom someone likes to date, or making offensive gestures or comments.

Employees, contractors, and volunteers are prohibited from having any kind of romantic relationship with an adult in custody. There is no such thing as consent to sexual activity in a correctional setting.

Employees, contractors, and volunteers are prohibited from sharing personal details, such as their personal contact information, except in order to carry out their professional responsibilities. Similarly, employees, volunteers, and contractors are prohibited from making contact with adults in custody outside of each facility through any means (e.g., in person meetings, texting, or on social media), except in order to carry out their professional responsibilities.

How We Keep Everyone Safe: At the Marion County Sheriff's Office, we do a number of things to keep everyone safe, including:

- Educating adults in custody about their right to be free from sexual misconduct
- Conducting background checks of the individuals, we hire.
- Training employees, volunteers, and contractors on our policies on preventing, detecting, and responding to sexual misconduct.
- Maintaining appropriate supervision of adults in custody.
- Offering a number of ways adults in custody and others can report problems at each facility.
- Fully investigating all allegations of sexual misconduct.
- Providing services and support to adults in custody who allege they have been sexually abused.
- Protecting employees and adults in custody from retaliation for reporting problems or helping with an investigation

What to Do If Sexual Misconduct is suspected, witnessed, or reported:

- If an incident of sexual misconduct is witnessed or suspected, you must report it immediately by contacting a deputy or non-sworn employee.
- If an adult in custody discloses something that suggests an incident of sexual misconduct has occurred, stay calm, listen to what they are saying, take the report seriously, and convey a message of support (e.g., "I'm glad you were strong enough to come to me."). Let the adult in custody know the incident will be reported and an investigation will be conducted to make sure they are safe. Inform them the information will not be shared beyond those who need to know to fix the problem.
- If an adult in custody wants to share an incident and asks that it not be repeated, let them know about your limits of confidentiality. This includes reporting certain behaviors by law once you have knowledge or reasonable suspicion that a crime is being or has been committed.
- For example, you might say, "I am glad you came to me, and I can understand why you would not want me to tell anyone. If it is about someone hurting, harassing, or threatening you. I am required to report it. I respect your decision if you do not want to tell me as a result. But if you tell me, I can work with you to get help."
