EXHIBIT A
STATEMENT OF WORK

1. STATEMENT OF SERVICES

Contractor shall perform Services as described below.

A. GENERAL INFORMATION.

- i. This contract has been established pursuant to ORS 279B.060 and MCPCR 20-0260 and is a result of Request for Proposal.
- ii. The passage of House Bill 3194 (2013) established the Justice Reinvestment Act, which invests in community public safety by controlling the growth of Oregon's prison population and diverting drug and property offenders to community-based programs. Public Safety Coordinating Councils apply for state Justice Reinvestment Program (JRP) grants each biennium, which reward success through evidence-based corrections programs.

JRP in Marion County supports successful reentry and prison diversion through a continuum of services to address specific criminogenic needs including pre-release reach-ins, case planning, motivational and cognitive programming, treatment, education, employment services, housing, transportation, and other resource access.

The Marion County Sheriff's Office is primarily funded through state monies. Stemming from Senate Bill (SB) 267 (2003 Legislative Session), ORS 182.515-525 requires 75% of state funded correctional programs to be evidence-based. Further, OAR 291-031-0320 requires evaluation of correctional programs for fidelity to the principles of evidence-based practices. The Sheriff's Office uses the Correctional Program Checklist (CPC) and the Risk-Need-Responsivity (RNR) program tool to assess the fidelity of the correctional programs we contract with, and all programs are required to successfully pass a program evaluation with a "high adherence" score of 55-64%.

In March 2023, the Sheriff's Office solicited a Request for Proposals (RFP) JRP Services, which broke it down by program category for proposal submission; Substance Use Treatment, SB 416, Link Up Program, Family Sentencing Alternative Program (FSAP), Peer Support and Mentoring Services, Transition from Jail to Community (TJC) Program, and Resource and Support Services. The RFP identified that the contract term would be two years, with an option to renew for two more years. The RFP closed on April 7, 2023, with three successful proposers awarded contracts for the above programs.

The Pathfinder Network is a non-profit organization that provides clients with tools and support they need to be safe and thrive in their communities by using sound evidence-based programs and practices.

Built on evidence-based treatment models, the services provided in this program include cognitive programming in both individual and group formats with a primary goal of reducing criminal activity, increasing pro-social behavior and employability, enhancing pro-social motivation, pro-social support and self-esteem, and motivating clients to embrace a crime free lifestyle. Complimenting direct treatment services, individual mentoring shall support program participants on community supervision. Mentoring activities include transportation, assistance

with housing, job search skills, facilitating cognitive and skill groups, and assistance entering treatment services.

PREA Volunteer and Contractor Information Acknowledgement Form

Our goal at The Marion County Sheriff's Office is to keep everyone safe. Part of achieving that goal is making sure everyone understands how to prevent, detect, and respond to sexual misconduct. All Contractors, Volunteers and Employees must understand PREA (Prison Rape Elimination Act) rules and how to report a problem, or issue in the unlikely event misconduct is witnessed or reported by a victim.

Important Rules to Know: No one is ever allowed to engage in sexual misconduct.

- Sexual misconduct includes any kind of sexual contact, regardless of whether the other party agreed to the contact or not.
- This also includes sexual harassment: saying sexual things, saying things about someone's body, talking about whom someone likes to date, or making offensive gestures or comments.

Employees, contractors, and volunteers are prohibited from having any kind of romantic relationship with an adult in custody. There is no such thing as consent to sexual activity in a correctional setting.

Employees, contractors, and volunteers are prohibited from sharing personal details, such as their personal contact information, except in order to carry out their professional responsibilities. Similarly, employees, volunteers, and contractors are prohibited from making contact with adults in custody outside of each facility through any means (e.g., in person meetings, texting, or on social media), except in order to carry out their professional responsibilities.

How We Keep Everyone Safe: At the Marion County Sheriff's Office, we do a number of things to keep everyone safe, including:

- Educating adults in custody about their right to be free from sexual misconduct
- Conducting background checks of the individuals, we hire.
- Training employees, volunteers, and contractors on our policies on preventing, detecting, and responding to sexual misconduct.
- Maintaining appropriate supervision of adults in custody.
- Offering a number of ways adults in custody and others can report problems at each facility.
- Fully investigating all allegations of sexual misconduct.
- Providing services and support to adults in custody who allege they have been sexually abused.
- Protecting employees and adults in custody from retaliation for reporting problems or helping with an investigation

What to Do If Sexual Misconduct is suspected, witnessed, or reported:

- If an incident of sexual misconduct is witnessed or suspected, you must report it immediately by contacting a deputy or non-sworn employee.
- If an adult in custody discloses something that suggests an incident of sexual misconduct has occurred, stay calm, listen to what they are saying, take the report seriously, and convey a message of support (e.g., "I'm glad you were strong enough to come to me."). Let the adult in custody know the incident will be reported and an investigation will be conducted to make sure they are safe. Inform them the information will not be shared beyond those who need to know to fix the problem.
- If an adult in custody wants to share an incident and asks that it not be repeated, let them know about your limits of confidentiality. This includes reporting certain behaviors by law once you have knowledge or reasonable suspicion that a crime is being or has been committed.
- For example, you might say, "I am glad you came to me, and I can understand why you would not want me to tell anyone. If it is about someone hurting, harassing, or threatening you. I am required to report it. I respect your decision if you do not want to tell me as a result. But if you tell me, I can work with you to get help."

Questions: If you have questions pertaining to your PREA responsibilities or other facility rules, or your responsibilities while you are here, you may contact us by calling the Marion County Jail's Administrative section at (503) 581-1183.

Acknowledgement: By signing this form, you acknowledge that you have received, read, and understand your responsibilities regarding the Marion County Sheriff's Office sexual misconduct prevention, detection, and response policies and procedures.
