Advancing tax levies to small taxing districts pursuant to ORS 311.392.					
Issue, Description & Background	ORS 311.392 authorizes a county board of commissioners to advance the total amount of taxes levied by a taxing district if it is more economical for the county to do so. In the event that a county does advance taxes to a taxing district, a county board of commissioners can order the tax collector to revise the tax distribution schedule so that all taxes advanced by the county are allocated to the county upon payment by taxpayers. If a county advances taxes under ORS 311.392 prior to December 1, it may deduct the 3% discount that otherwise would have been given by the district, as if all taxes had been paid by November 15.  There are several small districts in Marion County, most of which are lighting districts. Due to the small size of these districts, it is most cost-effective to cut these small districts one check during the tax year, versus paying out several very small checks throughout the year as tax receipts come in.			advance he tax ny been

In the Matter of advancing taxes for certain	)
taxing districts for the year 2019-20.	)

#### ORDER No. 19-

This matter came before the Marion County Board of Commissioners at its regularly scheduled public meeting on October 16, 2019, upon the recommendation of Rex Weisner, Marion County Tax Collector, that Marion County advance to certain political subdivisions the total amount of taxes, assessments and charges levied by those subdivisions for the tax year 2019-20, pursuant to the authority granted the county by ORS 311.392.

IT APPEARING to the Marion County Board of Commissioners that ORS 311.392 authorizes counties to advance to municipalities from the county general fund, the total amount of taxes, assessments or other charges levied against property in the county by political subdivisions when, in the discretion of the Board of Commissioners, it is more economical than distributing tax money to them according to a percentage schedule; and

IT FURTHER APPEARING to the Marion County Board of Commissioners that it would be more economical to advance the total amount of taxes, assessments or other charges to the taxing districts of Marion County whose assessments are so relatively small that it is burdensome to distribute them on a percentage schedule basis; and

IT FURTHER APPEARING to the Marion County Board of Commissioners that the tax collector has made his recommendation as to which taxing districts are of the character described above and the names of those taxing districts, along with the amount of assessments for each, are as set out in Exhibit A, attached hereto and by this reference made part hereof; and

IT FURTHER APPEARING to the Marion County Board of Commissioners that if the county advances taxes before December 1, 2019, it may deduct the three percent discount that would have been given by the district had all the taxes been paid by November 15, 2019; and

IT FURTHER APPEARING to the Marion County Board of Commissioners, after reviewing the recommendation of the Marion County Tax Collector and being fully advised in the premises that it would be more economical to advance from the county general fund to the taxing districts named in Exhibit A the total amount of taxes, assessments or other charges levied by those subdivisions against property in Marion County for the tax year 2019-20; now, therefore,

#### IT IS HEREBY ORDERED that:

- 1. On or before November 30, 2019, the sum of \$287,637.95, less three percent, shall be paid from the general fund to the political subdivisions listed in Exhibit A and that this sum be apportioned among them according to the amounts appearing in Exhibit A as the amounts of their assessments, less three percent discount; and
- 2. The Marion County Tax Collector revise the tax distribution schedule so that all taxes, assessments and charges advanced by the county be allocated to the county.

# DATED at Salem, Oregon, this 16th day of October, 2019.

# MARION COUNTY BOARD OF COMMISSIONERS Chair Commissioner Commissioner
