Title: Oregon State Marine Board Patrol Services Agreement 2025-27

Time Required: 5 minutes Contact: Kristy Witherell Phone: x4402

Requested Action: Staff is requesting that the board consider approval of the incoming funds Intergovernmental Agreement with the Oregon State Marine Board (OSMB) in the amount of \$304,395.00 for Marion County Sheriff's Office (MCSO) to provide law enforcement services related to recreational boating in Oregon through June 30, 2027.

Issue, Description & Background: For more than 25 years, MCSO has partnered with OSMB to provide law enforcement services related to recreational boating on Oregon waterways. This year, the OSMB has reduced the county's budget by 30 percent and added responsibility for the Willamette River during the summer months, which was previously Polk County's responsibility. The reduction in funding and added responsibility of new waterways has put a strain on the Marine Patrol Program. The new budget will fund approximately 1,765 hours a year, which will result in a 315 hour-a-year shortfall for a full-time deputy position. This shortfall will cause coverage gaps, fewer patrol hours, reduced community engagement, and slower response times.

Financial Impacts: Oregon State Marine Board will provide \$304,395.00 through June 30, 2027. Year one and two are both \$152,197.50.

Impacts to Department & External Agencies: The 30 percent decrease in funding will affect community safety on the waterways.

of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. COUNTY, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENTS TO THE IN PERSONAM JURISDICTION OF SAID COURTS.

SECTION 11: CONTRIBUTION

- 11.1** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (a “Third Party Claim”) against a Party (the “Notified Party”) with respect to which the other Party (the “Other Party”) may have liability, the Notified Party shall promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party, along with the written notice, a copy of the claim, process and all legal pleadings with respect to the Third Party Claim that have been received by the Notified Party. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this Section and a meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party’s contribution obligation under this Section 10 with respect to the Third Party Claim.
- 11.2** With respect to a Third Party Claim for which OSMB is jointly liable with County (or would be if joined in the Third Party Claim), OSMB shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by County in such proportion as is appropriate to reflect the relative fault of OSMB on the one hand and of County on the other hand in connection with the events that resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of OSMB on the one hand and of County on the other hand shall be determined by reference to, among other things, the Parties’ relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. OSMB’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.
- 11.3** With respect to a Third Party Claim for which County is jointly liable with OSMB (or would be if joined in the Third Party Claim), County shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by OSMB in such proportion as is appropriate to reflect the relative fault of County on the one hand and of OSMB on the other hand in connection with the events that resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of County on the one hand and of OSMB on the other hand shall be determined by reference to, among other things, the Parties’ relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or

IGA 250-2527MARION-000 – Marion County Law Enforcement Agreement

settlement amounts. County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

SECTION 12: COUNTY DEFAULT

County will be in default under this Agreement upon the occurrence of any of the following events:

- 12.1** County fails to perform, observe or discharge any of its covenants, agreements or obligations under this Agreement;
- 12.2** Any representation, warranty or statement made by County in this Agreement or in any documents or reports relied upon by OSMB to measure the delivery of services, the expenditure of funds or the performance by County is untrue in any material respect when made;
- 12.3** County (a) applies for or consents to the appointment of, or taking of possession by, a receiver, custodian, trustee, or liquidator of itself or all of its property, (b) admits in writing its inability, or is generally unable, to pay its debts as they become due, (c) makes a general assignment for the benefit of its creditors, (d) is adjudicated as bankrupt or insolvent, (e) commences a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect), (f) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (g) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the Bankruptcy Code, or (h) takes any action for the purpose of effecting any of the foregoing; or
- 12.4** A proceeding or case is commenced, without the application or consent of County, in any court of competent jurisdiction, seeking (a) the liquidation, dissolution or winding-up, or the composition or readjustment of debts of County, (b) the appointment of a trustee, receiver, custodian, liquidator, or the like of County or of all or any substantial part of its assets, or (c) similar relief in respect to County under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty consecutive days, or an order for relief against County is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).

SECTION 13: OSMB DEFAULT

OSMB will be in default under this Agreement if OSMB fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement.

SECTION 14: REMEDIES

IGA 250-2527MARION-000 – Marion County Law Enforcement Agreement

- 14.1** In the event County is in default under Section 12, OSMB may, at its option, pursue any or all of the remedies available to it under this Agreement and at law or in equity, including, but not limited to: (a) termination of this Agreement under Section 17, (b) reducing or withholding payment for work or Work Product that County has failed to deliver within any scheduled completion dates or has performed inadequately or defectively, (c) requiring County to perform, at County's expense, additional work necessary to satisfy its performance obligations or meet performance standards under this Agreement, (d) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, or (e) exercise of its right of recovery of overpayments under Section 15 of this Agreement or setoff, or both. These remedies are cumulative to the extent the remedies are not inconsistent, and OSMB may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.
- 14.2** In the event OSMB is in default under Section 12 and whether or not County elects to exercise its right to terminate this Agreement under Section 17.3.3, or in the event OSMB terminates this Agreement under Sections 17.2.1, 17.2.2, 17.2.3, or 17.2.5, County's sole monetary remedy will be (a) for work compensable at a stated rate, a claim for unpaid invoices for work completed and accepted by OSMB, for work completed and accepted by OSMB within any limits set forth in this Agreement but not yet invoiced, for authorized expenses incurred, and for interest within the limits of ORS 293.462, less any claims OSMB has against County, and (b) for deliverable-based work, a claim for the sum designated for completing the deliverable multiplied by the percentage of work completed on the deliverable and accepted by OSMB, for authorized expenses incurred, and for interest within the limits of ORS 293.462, less previous amounts paid for the deliverable and any claims that OSMB has against County. In no event will OSMB be liable to County for any expenses related to termination of this Agreement or for anticipated profits. If previous amounts paid to County exceed the amount due to County under this Section 14.2, County shall promptly pay any excess to OSMB.

SECTION 15: RECOVERY OF OVERPAYMENTS

If payments to County under this Agreement, or any other agreement between OSMB and County, exceed the amount to which County is entitled, OSMB may, after notifying County in writing, withhold from payments due County under this Agreement, such amounts, over such periods of times, as are necessary to recover the amount of the overpayment.

SECTION 16: LIMITATION OF LIABILITY

EXCEPT FOR LIABILITY ARISING UNDER OR RELATED TO SECTION 11, NEITHER PARTY WILL BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, OR OTHER INDIRECT DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, REGARDLESS OF WHETHER THE LIABILITY CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, PRODUCT LIABILITY OR OTHERWISE. NEITHER PARTY WILL BE LIABLE FOR ANY DAMAGES OF ANY SORT ARISING SOLELY FROM THE TERMINATION OF THIS AGREEMENT IN ACCORDANCE WITH ITS TERMS.

IGA 250-2527MARION-000 – *Marion County Law Enforcement Agreement*

SECTION 17: TERMINATION

17.1 This Agreement may be terminated at any time by mutual written consent of the Parties.

17.2 OSMB may terminate this Agreement as follows:

17.2.1 Upon 30 days advance written notice to County;

17.2.2 Immediately upon written notice to County, if OSMB fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient in OSMB's reasonable administrative discretion, to perform its obligations under this Agreement;

17.2.3 Immediately upon written notice to County, if federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that OSMB's performance under this Agreement is prohibited or OSMB is prohibited from paying for such performance from the planned funding source;

17.2.4 Immediately upon written notice to County, if County is in default under this Agreement and such default remains uncured 15 days after written notice thereof to County; or

17.2.5 As otherwise expressly provided in this Agreement.

17.3 County may terminate this Agreement as follows:

17.3.1 Immediately upon written notice to OSMB, if County fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient in County's reasonable administrative discretion, to perform its obligations under this Agreement;

17.3.2 Immediately upon written notice to OSMB, if federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that County's performance under this Agreement is prohibited or County is prohibited from paying for such performance from the planned funding source;

17.3.3 Immediately upon written notice to OSMB, if OSMB is in default under this Agreement and such default remains uncured 15 days after written notice thereof to OSMB; or

17.3.4 As otherwise expressly provided in this Agreement.

17.4 Upon receiving a notice of termination of this Agreement, County will immediately cease all activities under this Agreement, unless OSMB expressly directs otherwise in such notice. Upon termination, County will deliver to OSMB all documents, information, works-in-progress, Work Product and other property that are or would be deliverables under the Agreement. And upon OSMB's reasonable request, County will surrender all documents, research or objects or other tangible things needed to complete the work that was to have been performed by County under this Agreement.

SECTION 18: INSURANCE

IGA 250-2527MARION-000 – Marion County Law Enforcement Agreement

County shall maintain insurance as set forth in Exhibit D, attached hereto and incorporated herein by this reference.

SECTION 19: NONAPPROPRIATION

OSMB's obligation to pay any amounts and otherwise perform its duties under this Agreement is conditioned upon OSMB receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow OSMB, in the exercise of its reasonable administrative discretion, to meet its obligations under this Agreement. Nothing in this Agreement may be construed as permitting any violation of Article XI, section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of OSMB.

SECTION 20: AMENDMENTS

The terms of this Agreement may not be altered, modified, supplemented or otherwise amended, except by written agreement of the Parties.

SECTION 21: NOTICE

Except as otherwise expressly provided in this Agreement, any notices to be given relating to this Agreement must be given in writing by facsimile, email, personal delivery, or postage prepaid mail, to a Party's Authorized Representative at the physical address, fax number or email address set forth in this Agreement, or to such other addresses as either Party may indicate pursuant to this Section 21. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system. Any notice given by facsimile becomes effective upon electronic confirmation of successful transmission to the designated fax number.

SECTION 22: SURVIVAL

All rights and obligations of the Parties under this Agreement will cease upon termination of this Agreement, other than the rights and obligations arising under Sections 6,10, 11, 15, 16 and 22 hereof and those rights and obligations that by their express terms survive termination of this Agreement; provided, however, that termination of this Agreement will not prejudice any rights or obligations accrued to the Parties under this Agreement prior to termination.

SECTION 23: SEVERABILITY

The Parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be

IGA 250-2527MARION-000 – Marion County Law Enforcement Agreement

construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

SECTION 24: COUNTERPARTS

This Agreement may be executed in several counterparts, all of which when taken together shall constitute one agreement, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of the Agreement so executed constitutes an original.

SECTION 25: COMPLIANCE WITH LAW

In connection with their activities under this Agreement, the Parties shall comply with all applicable federal, state and local law.

SECTION 26: INDEPENDENT CONTRACTORS

The Parties agree and acknowledge that their relationship is that of independent contracting parties and that County is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265 or otherwise.

SECTION 27: INTENDED BENEFICIARIES

OSMB and County are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Agreement.

SECTION 28: FORCE MAJEURE

Neither Party is responsible for any failure to perform nor any delay in performance of any obligations under this Agreement caused by fire, civil unrest, labor unrest, natural causes, or war, which is beyond that Party's reasonable control. Each Party shall, however, make all reasonable efforts to remove or eliminate such cause of failure to perform or delay in performance and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement. OSMB may terminate this Agreement upon written notice to County after reasonably determining that the failure or delay will likely prevent successful performance of this Agreement.

SECTION 29: SECURITY INTEREST

County, in consideration of OSMB's provision of services described in Exhibit A, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

IGA 250-2527MARION-000 – Marion County Law Enforcement Agreement

hereby grants OSMB a continuing security interest in and so pledges and assigns to OSMB all of the rights of County and all proceeds and products in the boats and equipment purchased pursuant to OSMB's authority under ORS 830.140, including, but not limited to this agreement ("Collateral"). County hereby irrevocably authorizes OSMB at any time and from time to time to file in any filing office in any Uniform Commercial Code jurisdiction any financing statements and amendments thereto to complete the attachment, perfection and first priority of, and the ability of OSMB to enforce, OSMB's security interest in the Collateral, including, but not limited to, causing OSMB's name to be noted as secured party on any certificate of title for a titled good. County will not, or will not offer to, sell or otherwise dispose of the Collateral or any interest in the Collateral except with receipt of OSMB's prior written approval. Upon the failure by County to keep, observe or perform any provision of this agreement, without any other notice to or demand upon County, OSMB shall have in any jurisdiction in which enforcement of this agreement is sought, in addition to all other rights and remedies, all rights, privileges, powers and remedies of a secured creditor provided by the Uniform Commercial Code and any additional rights and remedies which may be provided to a secured party in any jurisdiction in which the Collateral or a part thereof is located, at law, in equity, or otherwise, including, without limitation, its right to take immediate possession of the Collateral.

SECTION 30: ASSIGNMENT AND SUCCESSORS IN INTEREST

County may not assign or transfer its interest in this Agreement without the prior written consent of OSMB and any attempt by County to assign or transfer its interest in this Agreement without such consent will be void and of no force or effect. OSMB's consent to County's assignment or transfer of its interest in this Agreement will not relieve County of any of its duties or obligations under this Agreement. The provisions of this Agreement will be binding upon and inure to the benefit of the Parties hereto, and their respective successors and permitted assigns.

SECTION 31: SUBCONTRACTS

County shall not, without OSMB's prior written consent, enter into any subcontracts for any of the work required of County under this Agreement. OSMB's consent to any subcontract will not relieve County of any of its duties or obligations under this Agreement.

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the County's contractor from and against any and all Claims.

IGA 250-2527MARION-000 – Marion County Law Enforcement Agreement

SECTION 32: TIME IS OF THE ESSENCE

Time is of the essence in County's performance of its obligations under this Agreement.

SECTION 33: MERGER, WAIVER

This Agreement and all exhibits and attachments, if any, constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver or consent under this Agreement binds either Party unless in writing and signed by both Parties. Such waiver or consent, if made, is effective only in the specific instance and for the specific purpose given. EACH PARTY, BY SIGNATURE OF ITS AUTHORIZED REPRESENTATIVE, HEREBY ACKNOWLEDGES THAT IT HAS READ THIS AGREEMENT, UNDERSTANDS IT, AND AGREES TO BE BOUND BY ITS TERMS AND CONDITIONS.

SECTION 34: RECORDS MAINTENANCE AND ACCESS

County shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, County shall maintain any other records, books, documents, papers, plans, records of shipments and payments and writings of County, whether in paper, electronic or other form, that are pertinent to this Agreement in such a manner as to clearly document County's performance. All financial records, other records, books, documents, papers, plans, records of shipments and payments and writings of County, whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records." County acknowledges and agrees that OSMB and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives will have access to all Records to perform examinations and audits and make excerpts and transcripts. County shall retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Agreement, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever date is later. Subject to foregoing minimum records retention requirement, County shall maintain Records in accordance with the records retention schedules set forth in OAR Chapter 166.

Federal Fund Reduction Impact Statement (optional)

Guidance: Describe how the reduced funding will impact overall activities and program objectives.

A 30% reduction in our Marine Program budget will significantly decrease the number of operational hours we can allocate. Currently, our team consists of a full-time, year-round FTE Deputy, a seasonal Deputy, and two seasonal Marine Safety Officers. The new budget will fund approximately 1,765 hours—resulting in a shortfall of at least 315 hours for the full-time FTE Deputy position. It is important to note that the seasonal positions were already being funded through our local budget and are not directly affected.

This budget cut will directly impact community safety in several critical areas:

- **Reduced Community Engagement:** Fewer opportunities to deliver water safety presentations and public education efforts.
- **Hazard Mitigation and Markers:** Limited capacity to identify and mitigate waterway hazards or to maintain and place navigational markers.
- **Inspection Services:** Diminished ability to conduct vessel inspections and Hull Identification Number (HIN) verifications.
- **Waterway Patrols:** Significantly fewer patrol hours will reduce our ability to respond to immediate safety threats, enforce boating laws, and assist during emergencies.
- **Coverage Gaps:** With the reduced patrol capacity, our ability to provide adequate coverage across all regional waterways has been significantly impacted. Turner Lake, which has historically demonstrated a high rate of Personal Flotation Device (PFD) noncompliance, is expected to receive little to no enforcement presence during the operational period. Compounding this issue is the dissolution of the Polk County Marine Patrol Program, adding a significant increase in our areas of responsibility. As a result, we will be unable to allocate sufficient patrol hours to the Willamette River, compromising our ability to ensure public safety on one of the region's largest waterways.

This reduction in service will pose increased risks to public safety and decrease our ability to proactively manage and respond to marine incidents. Maintaining adequate patrol and outreach capacity is essential for safeguarding our community and waterways.

Program Narrative

Guidance: The narrative should describe how the program will complete the statement of work in Exhibit A of the contract. This should include all the following categories: Administration & General Information, Marine Law Enforcement Training, Patrol Activities, Education & Outreach, and Waterway Markers.

In fiscal years 2025-2027, Marion County Marine Patrol will provide waterway patrols to bodies of water in Marion County. Our primary focus will be boater safety with specific enforcement on Personal Flotation Device (PFD) compliance, Boat Registration compliance, and Water Way Access permits for non-motorized vessels. We will also continue to focus on risk intervention by educating the public prior to a safety issue. Deputy Larned will still be the full time Marine Patrol Deputy.

In the fall, winter and early spring water sports activities are limited for recreational boating. However, lake and river fishing become more frequent. We will focus our patrols to waterway access points on the Willamette River, Santiam River, Little North Fork, Detroit Lake, Turner Lake, Big Cliff Reservoir and Silverton Reservoir ensuring boaters have required equipment and registration. We still have numerous tree hazards from the 2020 fires in the Santiam, Breitenbush and Little North Fork Rivers. We will continue to monitor post and mitigate hazards as they're located. During this time frame we will also focus our efforts on education. Marion County Marine Patrol will also continue to attend safety fairs/ expos and provide classroom presentations to children teaching water safety.

Program Narrative - Continued

During the Summer months, efforts will be focused primarily on the Detroit Lake area which is one of the busiest recreation lakes in Oregon. Efforts will switch to being focused on recreational boaters and non-motorized users. Patrol efforts will be focused on the weekends between the hours of 0900 and 2200. We will continue our efforts to prevent unsafe boating through enforcement and education. In the morning hours we will focus our efforts at the different boat ramps to increase our contacts with the public prior to them launching boats. We will conduct Boat Examination Reports (BERS) and ensure they have registration and the necessary safety equipment. While on the water we will focus on registration compliance and boater safety issues, including Overloading, Unsafe Operation, Reckless Operation and Boating Under the Influence of Intoxicants. We are aware of the large groups of boaters who will tie up together and consume alcohol in the Blowout and Breitenbush Arms. We will continue to patrol and monitor these areas to ensure they are not a safety issue.

We will also temporarily hire retired Deputy Dave Zahn to increase our patrols at Detroit Lake. Along with the hiring of Deputy Zahn, we will hire two temporary Marine Safety Officer's to assist the deputies. The Marine Safety Officer's duties will be to conduct ramp checks, complete BERS, non-motorized safety equipment checks and assist Deputies on the water. Contacts, Boat Inspections, and Citations will be reported through Survey123 to the Oregon State Marine Board. Sergeant Garrett Olson will be the program manager, he was previously the full time Marine Deputy and will assist with patrolling waterways as well.
