CONSTRUCTION CONTRACT PW-7130-26

This Contract made and entered into by and between Marion County, A Political Subdivision of the State of Oregon, acting by and through its duly elected, qualified, and acting Board of Commissioners, hereinafter called the "County" and, Mid Valley Excavation, LLC, hereinafter called the "Contractor" for the Project entitled: **Shaff Road Sidewalk Improvements 2026**.

WITNESSETH

Contractor, in consideration of the sum of **\$ 258,202.00** (the "Contract Price"), to be paid to the Contractor by County in the manner and at the time hereinafter provided, and subject to the terms and conditions provided in the Invitation To Bid and other Contract Documents, all of which are incorporated herein by reference, hereby agrees to perform all Work described and reasonably inferred from the Contract Documents. Contractor shall provide for and furnish all necessary machinery, tools, apparatus, equipment, supplies, materials and labor, and do all things in accordance with the applicable Plans and Specifications, and in accordance with such alterations and modifications of the same as may be made by the County.

This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the Contractor.

Exhibit K – GENERAL CONDITIONS FOR CONSTRUCTION FOR MARION COUNTY (v2024)

Exhibit L – INVITATION TO BID

In the event of a conflict between two or more provisions within any of the documents comprising this Contract, the language in the provision with the highest precedence will control. The precedence of each of the documents comprising this Contract is as follows, listed from highest precedence to lowest precedence: (1) this Contract without exhibits, (2) Exhibit I, (3) Exhibit K, (4) Exhibit G, (5) Exhibit L, (6) Exhibit J, (7) Exhibit A, (8) Exhibit B, (9) Exhibit C, (10) Exhibit D, (11) Exhibit E, and (12) Exhibit F.

2. Contractor shall pay all contributions or amounts due the Industrial Accident Fund from such Contractor or Subcontractor incurred in the performance of the contract.
3. Contractor shall not permit any lien or claim to be filed or prosecuted against the County, state or any subdivision thereof, on account of any labor or material furnished.
4. Contractor agrees to pay the Department of Revenue all sums withheld from employees pursuant to ORS 316.167.
5. Contractor shall indemnify, defend, save and hold harmless the County and its officers, employees, agents and volunteers, the State of Oregon, Oregon Transportation Commission and its members,

Department of Transportation and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of the officers, agents, employees or subcontractors of the Contractor ("Claims"). It is the specific intention of the Parties that State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of State, be indemnified by the Contractor and subcontractor from and against any and all Claims.

Any such indemnification shall also provide that neither Contractor and subcontractor nor any attorney engaged by Contractor and subcontractor shall defend any claim in the name of Marion County or the State of Oregon or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State of Oregon may, at anytime at its election assume its own defense and settlement in the event that it determines that Contractor is prohibited from defending the State of Oregon, or the Contractor is not adequately defending the State of Oregon's interests, or that an important governmental principle is at issue or that it is in the best interests of the State of Oregon to do so. The State of Oregon reserves all rights to pursue claims it may have against Contractor if the State of Oregon elects to assume its own defense.

6. Money due to Contractor under and by virtue of this Contract may be returned for the use of the County; or, in case no money is due, Contractor's surety may be held until such suit or suits, action or actions, claim or claims for injuries or damages as aforesaid shall have been settled and suitable evidence to that effect furnished to the County; except that money due the Contractor will not be withheld when the Contractor produces satisfactory evidence that Contractor is adequately protected by public liability and property damage insurance.
7. THAT in consideration of the faithful performances of all of the obligations, both general and special, herein set out and in consideration of the faithful performance of the Work as set forth in this Contract, the applicable Invitation to Bid, Plans, Specifications, Bid, and all general and detailed specifications and plans which are a part hereof, and in accordance with the directions of the County and to its satisfaction, the County agrees to pay to the said Contractor the amount earned, as determined from the actual quantities of work performed and the prices and other basis of payment specified, and taking into consideration any amounts that may be deductible under the terms of the Contract, and to make such payments in the manner and at the time provided in the Contract.
8. In the event the Board of Commissioners of the County reduces, changes, eliminates, or otherwise modifies the funding for any of the services identified, the Contractor agrees to abide by any such decision, including termination of service.
9. The County delegates to the Marion County Engineer the authority and responsibility for issuing approvals, providing notices, receiving notices, issuing directives, authorizing change orders, and avoiding and resolving disputes.
10. This contract may be increased by twenty-five (25) percent over the original contract amount to include additional work for the projects specified in the contract, upon mutual agreement of both parties.
11. Contractor, its assignees and successors in interest agree to comply with the requirements of the Marion County Public Works Department Federally Funded Transportation Program Title VI Plan, herein incorporated by this reference, as follows:
 - a. Compliance with Regulations.

The Contractor shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (hereinafter DOT), Title 49, Code of Federal Regulations, part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.

b. Nondiscrimination.

The Contractor, with regard to the Work performed during the contract, shall not discriminate on the grounds of race, color, sex, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

c. Solicitations for Subcontracts, including Procurement of Materials and Equipment.

In all solicitations either by competitive bidding or negotiations made by the Contractor for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Contractor of the Contractor's obligations under this Contract and the Regulations relative to nondiscrimination on the ground of race, color, sex, or national origin.

d. Information and Reports.

The Contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by County or the Oregon Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the Contractor shall so certify to County or the Oregon Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

e. Sanctions for Noncompliance.

In the event of the Contractor's noncompliance with the nondiscrimination provisions of this Contract, County and the Oregon Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate including, but not limited to:

- i. Withholding of payments to the contractor under the Contract until the Contractor complies, and/or;
- ii. Cancellation, termination, or suspension of the Contract, in whole or in part.

12. Incorporation of Provisions.

The Contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurement of materials and leases of equipment, unless exempt by state or federal Regulations or directives issued pursuant thereto. The Contractor shall take such action with respect to any subcontractor or procurement as Marion County may direct as a means of enforcing such provisions including sanctions for noncompliance.

13. Independent Contractor.

The Contractor is a separate and independently established business, retains sole and absolute discretion over the manner and means of carrying out the Contractor's activities and responsibilities for the purpose of implementing the provisions of this Contract, and maintains the appropriate license/certifications, if required under Oregon Law. Notwithstanding the preceding sentence, County reserves the right to determine schedule for the work to be performed and to evaluate the quality of the completed performance. This Contract shall not be construed as

creating an agency, partnership, joint venture, employment relationship or any other relationship between the Parties other than that of independent parties. The Contractor is acting as an “independent contractor” and is not an employee of County, and accepts full responsibility for taxes or other obligations associated with payment for services under this Contract. As an “independent contractor”, Contractor will not receive any benefits normally accruing to County employees unless required by applicable law. Furthermore, Contractor is free to contract with other parties for the duration of the Contract.

14. Governing Law and Venue.

Any dispute between the County and the Contractor that arises from or relates to this Contract and that is not resolved under the provisions of Section 00199 of the General Conditions shall be brought and conducted solely and exclusively within the Circuit Court of Marion County; provided, however, if a dispute must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this be construed as a waiver by County on any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court. CONTRACTOR BY EXECUTION OF THE CONTRACT HEREBY CONSENTS TO THE IN PERSONAM JURISDICTION OF THE COURTS REFERENCED IN THIS SECTION.

IN WITNESS WHEREOF, the parties hereto have subscribed their names and affixed their respective official seals below.

EXHIBIT B – BID CERTIFICATION

The Honorable Board of
County Commissioners
Marion County Courthouse
Salem, Oregon 97301

Commissioners:

The Undersigned, hereinafter called the Bidder, declares that the only person or parties interested in this Bid are those named herein; that this Bid Certification is in all respects fair and without fraud; that it is made without collusion with any official or employee of the County, and without any connection or collusion with any person making another certification on this Contract.

The Bidder also certifies to the following:

A. Noncollusion:

- The price(s) and amount of this Bid have been arrived at independently and without consultation, communication, or agreement with any other contractor, bidder, or potential bidder except as disclosed on a separately attached statement.
- Neither the price(s) nor the amount of this Bid, and neither the approximate price(s) nor approximate amount of this Bid has been disclosed to any other firm or person who is a bidder or potential bidder, and they will not be disclosed before the opening of bids.
- No attempt has been made or will be made to induce any firm or person to refrain from bidding on this contract, to submit a bid higher than this Bid, or to submit any intentionally high or noncompetitive bid or other form of complementary bid.
- This Bid is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary or other noncompetitive bid.
- The Bidder, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last four years been convicted of or found liable for any act, prohibited by State or Federal law in any jurisdiction, involving conspiracy or collusion with respect to bidding on any public contract except as described on a separately attached statement.
- The Bidder understands and acknowledges that the above representations are material and important and will be relied on by Marion County, in awarding the contract(s) for which this Bid is submitted. The Bidder understands that any misstatement in this Certification is and shall be treated as fraudulent concealment from Marion County, of the true facts relating to the submission of bids for this contract.

B. Noninvolvement in Any Debarment and Suspension:

The Bidder, its owners, directors, and officers:

- Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency.
- Have not within a three-year period preceding this Bid been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

- Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in the preceding paragraph of this Certification; and
- Have not within a three-year period preceding this Bid had one or more public transactions (Federal, State, or local) terminated for cause or default.

Where the prospective primary participant is unable to certify to any of the statements in this Certification, the prospective primary participant shall attach an explanation to this Bid.

List exceptions in writing on one or more pages, as necessary, with the heading, "Certification Exceptions, Bid Insert," and attach all pages to this Bid Certification. For each exception noted, indicate to whom the exception applies, initiating agency, and date(s) of action.

C. Lobbying Activities:

To the best of my knowledge and belief, that:

- No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions to the ODOT Procurement Office - Construction Contracts Unit, MS# 2-2, 3930 Fairview Industrial Drive SE, Salem, Oregon 97302-1166. Copies of Standard Form-LLL are available at the above location.
- This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this Certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required Certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
- The prospective participant also agrees by submitting his or her Bid that he or she shall require that the language of this Certification be inserted in all lower tier subcontracts, which exceed \$100,000 and that all such subrecipients shall certify and disclose accordingly.

D. Compliance With Oregon Tax Laws:

- By signature on this Bid, the undersigned hereby certifies under penalty of perjury that the undersigned is authorized to act on behalf of Bidder, that the undersigned has authority and knowledge regarding Bidder's payment of taxes, and that Bidder is, to the best of the undersigned's knowledge, not in violation of any Oregon Tax Laws. For purposes of this certification, "Oregon Tax Laws" means a state tax imposed by ORS 320.005 to 320.150 (Amusement Device Taxes), ORS 403.200 to 403.250 (Tax For Emergency Communications), and ORS Chapters 118 (Inheritance Tax), 314 (Income Tax), 316 (Personal Income Tax), 317 (Corporation Excise Tax), 318 (Corporation Income Tax), 321 (Timber And Forestland Tax), 323 (Cigarettes And Tobacco Products Tax), and the elderly rental assistance program under ORS 310.630 to 310.706, and any local taxes administered by the Department of Revenue under ORS 305.620.

E. Employee Drug Testing Program:

- Pursuant to ORS 279C.505(2), that the bidder has an employee drug testing program in place and will maintain such program for the entire period of this contract. Failure to maintain such program shall constitute a material breach of contract.

F. Nondiscrimination:

- Pursuant to ORS 279A.110, that the Bidder has not discriminated and will not discriminate against a disadvantaged business enterprise, a minority-owned business, a woman-owned business, a business that a service-disabled veteran owns, or an emerging small business in obtaining any required subcontracts. The Bidder understands that it may be disqualified from bidding on this public improvement project if the County finds that the Bidder has violated subsection (1) of ORS 279A.110.

G. Use of Registered Subcontractors:

- That all subcontractors performing work on this public improvement contract will be registered with the Construction Contractors Board or licensed by the State Landscape Contractors Board in accordance with ORS 701.035 to 701.055 before the subcontractors commence work under this contract.

H. Incorporation of All Addenda:

- The Bidder has incorporated into this Bid all Addenda issued for this Project.
- The Bidder understands and acknowledges that the County will provide all Addenda only by publishing them on the OregonBuys website. Addenda may be downloaded from the OregonBuys website.
- The Bidder shall be responsible for diligently checking the OregonBuys website for Addenda. Bidders should check the web site at least weekly until one (1) week prior to the designated time to receive bids and daily thereafter.
- By submitting this Bid, the Bidder assumes all risks associated with its failure to access all Addenda and waives all claims, suits, and actions against the State, County, the County's governing commission and its members, and their officers, agents, and employees that may arise out of the Bidder's failure to access all Addenda, in spite of any contingencies such as website failure, down-time, service interruptions, and corrupted, inaccurate, or incomplete Addenda or information.

The Bidder declares that the Bidder has carefully examined the Specifications and other proposed Contract Documents; that the Bidder personally has made an examination of the site of the proposed Work and has made the necessary investigations to determine the conditions to be encountered independently of the indications in the Specifications. The applicable Standard Specifications, General Conditions, Special Provisions, and other Contract Documents bound herewith are by reference a part of this Bid Certification.

The Bidder agrees to accept as full payment for the Work herein proposed or the materials to be furnished the amount computed as determined by the provisions of this Invitation To Bid and based on the following Bid Certification, it being expressly understood that the unit prices listed are independent of the exact quantities involved, where unit prices apply.

The Bidder further declares the total amount of work, expressed in dollars, Bidder's company reasonably believes it is capable of bonding at any one time: \$ 1,500,000.00. The Bidder declares the portion of this amount which remains available at time of completion of this form is \$ 1,500,000.00.

The Bidder further agrees that the provisions required by ORS 279C.840 shall be included in the Contract.

The bidder is prequalified on the Oregon Department of Transportation (ODOT) list for the Work categories requested for this Project.

SECTION 00160 - SOURCE OF MATERIALS

Comply with Section 00160 of the General Conditions.

SECTION 00165 - QUALITY OF MATERIALS

Comply with Section 00165 of the General Conditions modified as follows:

00165.10(a) Field-Tested Materials - Add the following sentence to this subsection:

Material testing will be according to Section 5 of the MFTP for a Type D Project

SECTION 00170 - LEGAL RELATIONS AND RESPONSIBILITIES

Comply with Section 00170 of the General Conditions modified as follows:

00170.03 Furnishing Right-of-Way permits – At the end of this subsection add the following:

Contractor Provided Permits - The contractor is required to obtain a work in right of way permit from the City of Stayton. The application is available at:

https://www.staytonoregon.gov/page/pw_permitting

Phone Number: 503-769-2919

Add the following subsection:

00170.08 Electronic Document Management - The requirements of this Subsection do not apply to claims. Claims must be submitted on paper documents according to Section 00199.

The contractor shall create a free account in the Agency’s Construction Management program, ConneX, at their website (see 00110.05(e)). The instructions to set up the account can be found there.

Each organization can have multiple accounts under that organization. Once contractors add their organization, the Agency will link them to their active contracts Material submittals, requests for information (RFIS), certified payroll, and civil rights submittals will all be done from the ConneX link site.

Following Notice to Proceed, the Contractor shall submit all documents for this Contract to the Agency in an electronic format using ConneX. No paper documents, faxes or other similar paper methods or media are permitted, unless otherwise allowed or directed by the Engineer. The Contractor shall be solely responsible

for submitting documents to the Agency using ConneX for itself and for Subcontractors, Suppliers, vendors and other third parties. Only documents submitted by the Contractor and recorded in ConneX as received will be considered valid and received by the Agency.

Documents submitted according to this Subsection, from the Agency to the Contractor and from the Contractor to the Agency, are official documents for the Contract and will be accepted as such by both parties.

By submitting documents that originate from the Contractor to the Agency using ConneX, the Contractor is certifying that the documents are true and accurate and that if the document was required to be signed, it has been signed by a person with appropriate authority. By submitting documents to the Agency using ConneX that originate from a Subcontractor, Supplier, vendor, manufacturer or other third party, the Contractor is certifying that the documents are a true and complete copy of the documents the Contractor received, that if the document was required to be signed, it has been signed, and that the Contractor does not know, nor does it have reason to believe, that the documents are not true and accurate or signed by a person without appropriate authority.

In the event of a conflict between this Subsection and the Standard Specifications or other Special Provisions, this Subsection shall control except for 00199.30.

Costs associated with obtaining and maintaining access to ConneX and the use of ConneX are Incidental to Mobilization.

Failure to submit documents electronically, as required by this Subsection, may result in payments being withheld according to 00195.50(e).

The Contractor shall be responsible for causing access to ConneX to be disabled for any Entity or individual that is no longer assigned, employed or under contract in relation to the Project or whose access is to be disabled due to improper activity. The Contractor's obligation to disable access applies to its own officers, employees and agents and to all Subcontractors, Suppliers, vendors and other third parties and their respective officers, employees and agents.

The Agency reserves the right to suspend or disable, or cause to be suspended or disabled, the access to ConneX for any Entity or individual at any time.

Use and access for ConneX is provided "as is". The Agency does not warrant that access to or functioning of ConneX will be error free, uninterrupted or meet the Contractor's needs. The Agency is not responsible for any damage that may occur due to error, omission, lack of timeliness or other malfunction of ConneX or its supporting systems. The Agency disclaims all liability arising from interference or interruption, viruses, telephone faults, malicious damage by anyone, electronic system downtime, overloading of the Internet or sites or any cause beyond the control of the Agency. The Agency reserves the right to temporarily suspend or cause to be suspended access to ConneX, without notice, because of maintenance, repair or any other reason deemed necessary for the proper functioning of ConneX by the Agency or RTVision.

In no event shall the Agency or its members, officers, agents and employees be liable for any claims, suits, actions, losses, liabilities, damages, costs or expenses, including but not limited to attorney fees, of whatsoever nature, resulting from or arising out of the use of ConneX by the Contractor or their respective officers, employees or agents.

The Contractor's indemnification, defense and hold harmless obligations under the Contract shall apply to the terms, conditions and requirements of 00170.08 and to use of ConneX and the acts, errors and omissions of the Contractor and its officers, employees and agents respecting access to and use of ConneX.

(a) User Terms and Conditions - The Contractor shall comply with, shall require its officers, employees and agents to comply with and to require their officers, employees and agents using or accessing ConneX

to comply with 00170.08 and the following Additional User Terms and Conditions, all as may be revised from time to time:

As an officer, employee or agent of the Contractor, respecting my use of or access to ConneX, I agree to the following, all as may be revised from time to time:

- The terms, conditions and requirements of 00170.08 of the Contract;
- The following Additional User Terms and Conditions:

My use of and access to ConneX are conditioned on my agreement to, and my compliance with, the foregoing and these Additional User Terms and Conditions.

I may have access to sensitive personnel, business, financial and/or security related information (“Confidential Information”) through use of ConneX, and, except to the limited extent necessary to perform my duties, I will maintain its confidential status and will not share, publish or disseminate Confidential Information or other information obtained through ConneX, without regard to how the Agency may treat any such Confidential Information or other information. All information is also subject to the Oregon Public Records law (see 00170.07(d)). In addition, if I know or have reason to believe any information was inadvertently or improperly included in ConneX, I will immediately notify my employer for purposes of notification to the Contractor and the Contractor’s notification to Agency.

I will not access any information I am not authorized to use or access and I will not browse or otherwise use or access information, files or documents that exceed the minimum necessary to perform my duties.

If my authorized use of and access to ConneX includes submitting documents into ConneX (or “read-write” access), I will not submit any documents or information into ConneX except those I am authorized to submit and necessary to perform my duties.

I have no expectation of privacy, rights or ownership of anything I may access, create, store, send or receive within ConneX, respecting any documents or information, including but not limited to Confidential Information of any individual or Entity. For audit or system security purposes, the Agency may monitor and/or record all activity conducted within ConneX. This includes but is not limited to the login identification information, times, dates and duration of access, as well as resources or documents accessed.

Unauthorized access or activities that could compromise the system or Confidential Information are strictly prohibited and patterns of unauthorized or unusual activity will result in access being immediately disabled, and possible further investigation.

If a breach of these terms and conditions or a security incident occurs, I will immediately notify my employer for purposes of notification to the Contractor and the Contractor’s notification to the Agency.

I will not share my password or other means of access with any other individual or Entity. Violation of this restriction or of any of these other Terms and Conditions will result in my access being immediately disabled.

I understand that my use of and access to ConneX is conditioned on my relationship to my employer and my employer’s relationship to one or more of: the Agency, the Contractor or other third party, and that if I am no longer so employed or my employer no longer has such relationship, I will immediately cease my use of and access to ConneX and will immediately notify my employer for purposes of notification to the Contractor and the Contractor’s notification to the Agency.

(b) Digital Signatures and Requirements - Unless otherwise allowed or directed by the Engineer:

- For all Change Orders that require signature by the Contractor for this Contract, the Contractor, by a person with appropriate authority, shall sign using a ConneX digital signature.
- Change Orders that require signature by the Contractor, but do not have a ConneX digital signature from the Contractor verifiable by the Engineer, will be considered as not received and of no effect.
- Documents other than Change Orders that contain digital signatures, but do not have a digital signature verifiable by the Engineer, or that were signed by a person without appropriate authority, will be considered as not received and of no effect.
- Notice requirements will not be satisfied and payments may be withheld for any affected Work items until the required documents with verifiable digital signatures have been received.

(c) Electronic Submittal Requirements - Unless otherwise allowed or directed by the Engineer, all documents submitted to the Agency for this Contract that require a signature, other than Change Orders, shall be signed by a person with appropriate authority by applying:

- An original handwritten signature to a document and scanning the document into PDF format;
- An electronic signature to a document and converting the document into PDF format;
- A third-party verifiable digital signature to a PDF document; or
- A ConneX electronic signature when prompted during submission of the document into ConneX.

Documents that require a signature, but do not have a signature in accordance with this Subsection or were signed by a person without appropriate authority; or documents that were signed with a digital signature but are submitted in a form such that the digital signature is not verifiable by the Engineer, will be considered as not received and of no effect. Notice requirements will not be satisfied, and payments may be withheld for any affected Work items until the required documents with compliant signatures have been received.

Unless otherwise allowed or directed by the Engineer, all documents submitted to the Agency for this Contract that do not require a signature shall be submitted using ConneX.

00170.65(b)(1) Minimum Wage Rates – Replace the paragraph that begins "The Bureau of Labor and Industries (BOLI) ..." with the following paragraph:

The Bureau of Labor and Industries (BOLI) determines and publishes the existing State prevailing wage rates in the publication Prevailing Wage Rates for Public Works Contracts. The Contractor shall pay workers not less than the specified minimum hourly wage rate according to ORS 279C.838 and ORS 279C.840, and shall include this requirement in all subcontracts.

00170.10(g) Paid Summary Report - Replace this subsection, except for the subsection number and title with the following:

The Contractor shall submit a Paid Summary Report to the Engineer certifying payments made to all of its Subcontractors.

The Paid Summary Report shall be completed on an ODOT form provided by the Engineer and submitted to the Engineer within 20 Calendar Days of receipt of payment from the Agency for each month in which payments were made to each Subcontractor.

At the completion of the Project, submit a final Paid Summary Report form that provides the total amounts paid to each Subcontractor.

The Contractor shall require each Subcontractor at every tier to comply with the requirement to submit a Paid Summary Report within 20 Calendar Days of receipt of payment for Work on the Project and submit a final Paid Summary Report that provides the total amounts paid to the Subcontractor for its Work under the subcontract at the completion of the Project or completion of its Work.

00170.65(b)(1) Minimum Wage Rates – Replace the paragraph that begins "The Bureau of Labor and Industries (BOLI) ..." with the following paragraph:

The Bureau of Labor and Industries (BOLI) determines and publishes the existing State prevailing wage rates in the publication Prevailing Wage Rates for Public Works Contracts. The Contractor shall pay workers not less than the specified minimum hourly wage rate according to ORS 279C.838 and ORS 279C.840, and shall include this requirement in all subcontracts.

00170.70(a) Insurance Coverages – Replace the paragraph that begins “**Contractor** – The Contractor shall...” with the following paragraph:

Contractor - The Contractor shall obtain the insurance specified below prior to the execution of the Contract. The Contractor shall maintain the insurance in full force at the Contractor’s expense throughout the duration of the Contract and as required by an extended reporting period or tail coverage requirements, and all warranty periods that apply.

Replace the paragraph that begins “**Insurance Provisions** - The Contractor and Subcontractor(s), if...” with the following paragraph:

Insurance Provisions - The Contractor and Subcontractor(s), if any, shall obtain insurance from insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State and that are acceptable to the Agency. Insurance coverage shall be primary and noncontributory with any other insurance and self-insurance, with the exception of Workers’ Compensation/Employer’s Liability. The Contractor, or appropriate Subcontractor, but not the Agency, shall pay for all deductibles, self-insurance retentions and self-insurance, if any.

Replace the paragraph that begins “**Commercial General Liability** - The Contractor shall provide Commercial...” with the following paragraph:

- **Commercial General Liability** - The Contractor shall provide Commercial General Liability Insurance written on an occurrence basis and covering the Contractor’s liability for bodily injury, property damage, personal and advertising injury, products and completed operations, and contractual liability. Coverage may be written in combination with Commercial Automobile Liability Insurance with separate limits for Commercial General Liability and Commercial Automobile Liability. Combined single limit per occurrence shall not be less than the dollar amount specified in the Special Provisions. The annual aggregate limit shall not be less than the dollar amount specified in the Special Provisions. The policy shall be endorsed to state that the annual aggregate limit of liability shall apply separately to the Contract.

00170.70(a) Insurance Coverages – Add the following after the first paragraph:

Insurance Coverages per Occurrence	Combined Single Limit	Annual Aggregate Limit
• Commercial General Liability	\$1,000,000	\$2,000,000
• Commercial Auto Liability	\$1,000,000	(Aggregate limit not required)

SECTION 00180 - PROSECUTION AND PROGRESS

Slopes will be measured with the use of a 24 inch SmartTool level model 92379 or model 92500, and a 6 inch SmartTool level model 92346 or 92510.

00759.42 Foundations - Replace this subsection with the following subsection:

00759.42 Aggregate Base - Before placing concrete, prepare underlying Aggregate Base surfaces according to Section 00641.

00759.51 Curing - Add the following paragraph to the end of this subsection:

Concrete Structures may be opened to Public Traffic before 7 Calendar Days if the concrete has reached a minimum compressive strength of 2,000 psi as verified by the rebound number determined according to ASTM C805. Test at locations as directed.

SECTION 00760 – GROUTED DURABLE ROCK

Section 00760, which is not a Standard Specification, is included in this Project by Special Provision.

Description

00760.00 Scope – This work consists of grouting durable rock at locations shown or directed.

Materials

00760.10 Materials – Furnish rounded rock between 4 inches and 12 inches, that are hard, durable, and resistant to weathering and water action.

Construction

00760.40 General – Before placing the rock, the ground surface must be trimmed to the specified lines and grades, and compacted to a firm foundation. A geotextile filter fabric or other drainage layer may be required to separate the rock from the subsoil.

To prevent the rock from absorbing moisture from the grout, wet the rock.

Furnish a non-shrink commercial grade high strength grout. Wet pour grout to a nominal thickness of 4 inches, place rounded rocks at random spacings without any continuous open gaps greater than 1 inch. Rock exposure above the curb shall be maximum of 2 inches and a minimum of 0.5 inches.

00760.80 Measurement – The quantities of grouted durable rock will be on the area basis.

00760.90 Payment – The accepted quantities of work performed under this section will be paid for at the contract unit price, per unit of measurement.

Pay Item	Measurement
(a) Grouted Durable Rock.....	Square Foot

Payment will be payment in full for furnishing all equipment, labor, and incidentals necessary to complete the work as specified.

SECTION 00850 - COMMON PROVISIONS FOR PAVEMENT MARKINGS

Comply with Section 00850 of the Standard Specifications modified as follows:

00850.30 Manufacturer’s Representative - Replace this subsection, except for the subsection number and title, with the following:

For Sections referencing 00850.30, the services of a manufacturer’s representative are not required. Place Pavement markings only when the Pavement is ready for the Pavement marking material according to the manufacturer’s installation instructions.

SECTION 00867 - TRANSVERSE PAVEMENT MARKINGS - LEGENDS AND BARS

Comply with Section 00867 of the Standard Specifications.

SECTION 00940 - SIGNS

Add the following subsection:

00940.12 Sign Coatings -

Furnish new signs on the Project with a shop-applied anti-graffiti coating on both the background and legend sheeting according to 02910.70, regardless of substrate material.

00940.40 General - Add the following sentence to the end of the paragraph that begins “Fabricate all components...”:

For signs that require anti-graffiti coating, fabricate all components of each individual sign with sheeting and anti-graffiti coating from the same supplier to ensure that all components are compatible and are warrantable by the manufacturer.

00940.47 Sign Erecting - Add the following paragraph to the end of this subsection:

Trim and remove branches, vegetation, or other materials obstructing the visibility of signs by Public Traffic, as directed.

00940.90 Payment - Add the following paragraph

No separate or additional payment will be made for:

Trimming and removal of branches
Anti-graffiti coating of signs.

SECTION 01035 – RESTORE EXISTING LANDSCAPING

Section 01035, which is not a Standard Specification, is included in this Project by Special Provision.

01035.00 General – This work consists salvaging the grass turf back during construction and placing the grass turf back when the work is done, and for furnishing topsoil, grass seed, to restore existing landscape back to the original condition as shown or directed.

Materials

01035.10 Topsoil – Furnish a commercially available topsoil containing no substance detrimental to the growth of plants and is free of plants designated by the Oregon Department of Agriculture as Type “A” or Type “B” weeds.

01305.11 Seed - Furnish a commercially available sun and shade lawn seed mix. Apply seed at a rate recommended by the manufacturer’s specification.

01035.80 Measurement - Add the following to the end of this subsection:

No separate measurement will be made for work performed under this section.

01030.40 Grass Turf – Remove, preserve, and replace artificial turf as specified on plan sheet C9.

01035.90 Payment – The accepted quantities of work performed under this section will be paid for at the contract lump sum amount for the item “Restore Existing Landscaping”.

Payment will be payment in full for furnishing all labor and materials to restore existing landscaping including topsoil, bark mulch, sod, seed, plants and all miscellaneous items to complete the work as specified and shown in the plans.

No additional payment will be made for:

Seeding Mobilization.
Restoring Artificial Turf

SECTION 02001 - CONCRETE

Comply with Section 02001 of the Standard Specifications modified as follows:

02001.15(b)(1) Trial Batch Plastic Properties - Replace the test method that begins "AASHTO T 23..." with the following test method:

AASHTO R 100 or R 39³

02001.15(b)(2)(a) Compressive Strength Tests - Replace this subsection, except for the subsection number and title, with the following:

For each trial batch, cast and cure at least three test cylinders according to AASHTO R 100 or AASHTO R 39, in 6 inch by 12 inch or 4 inch by 8 inch single use plastic molds. The use of unbonded caps according to ASTM C1231 is permitted. Test at 28 Days according to AASHTO T 22.

SECTION 02050 – CURING MATERIALS

Comply with Section 02050 of the Standard Specifications modified as follows:

02050.10 Liquid Compounds – Replace the paragraph that begins "Furnish liquid membrane-forming curing ..." with the following:

Furnish liquid membrane-forming curing compounds from the QPL and meeting the requirements of ASTM C309. Before use, submit two, one quart samples from each lot for testing. Samples will be tested according to ODOT TM 721. Samples are not required for curing compounds used on Commercial Grade Concrete.

SECTION 02910 - SIGN MATERIALS

Comply with Section 02910 of the Standard Specifications modified as follows:

Add the following subsection:

02910.70 Anti-Graffiti Coating for Signs:

(a) General - Use anti-graffiti coating from the QPL. Apply anti-graffiti coating over both the background and legend sheeting, per the manufacturer's recommendation.

(b) Acceptance - Furnish a quality compliance certificate according to 00165.35, certifying that the anti-graffiti coating used is an acceptable product on the QPL.

- NOTES:**
1. SEE GENERAL CONSTRUCTION PLANS FOR INTENDED LOCATIONS OF GROUTED DURABLE ROCK.
 2. FOR GROUTED DURABLE ROCK, AFTER REMOVAL OF FORMS FROM CURBS AND SIDEWALKS, POUR GROUT TO THE DEPTHS SPECIFIED IN SECTIONS. WHILE GROUT IS STILL WET TAKE INDIVIDUAL 4"=12" ROUND NON-ANGULAR ROCKS AND PRESS INTO THE WET GROUT TO THE EXPOSURE DEPTHS SHOWN. WET GROUT WILL RAISE TO AN INDETERMINATE HEIGHT NOT TO EXCEED THE FINISHED GRADE SURFACE SHOWN.
 3. FOR GROUTED DURABLE ROCK, PLACE ROUNDED ROCKS AT RANDOM SPACING, WITHOUT ANY CONTINUOUS OPEN GAPS GREATER THAN 1".
 4. SEE ODOT STD. DWG. RD912 FOR CURB RAMP CONSTRUCTION WITH A LANDSCAPE BUFFER.
