Title: Amendment #2 to PO #882888 for the Purchase of Bulk Fuel

Management Update/Work Session Date: 12/09/2025 Audio/Visual aids ☐

Time Required: 5 min Contact: Michael Pierce Phone: x3196

Requested Action:

Approve Amendment #2 to Purchase Order (PO) #882888 with Carson Oil Company for the purchase of bulk fuel, increasing the PO amount by \$1,500,000.00, from \$5,000.000.00 to \$6,500,000.00, for anticipated bulk fuel purchases through 12/31/26.

Issue, Description & Background:

Marion County Public Works manages fuel procurement for county-owned fueling stations, which serve the County's light-duty vehicle and heavy equipment fleets. This fuel supports operations across multiple departments, including the Sheriff's Office, Health, Juvenile, and Environmental Services, and others, ensuring county-wide service delivery.

Financial Impacts:

Marion County typically spends about \$1,000,000 each year on bulk fuel purchases. In alignment with this average annual usage, this amendment would accommodate the next 1.5 years of bulk fuel purchases.

Impacts to Department & External Agencies:

Reliable fuel supply ensures uninterrupted road maintenance, snow removal, and fleet operations. Sheriff Department patrol vehicles, emergency response units, and specialized equipment depend on consistent fuel availability. Fuel reserves are critical during disaster response, evacuations, and wildfire suppression.

Additional, different or conflicting terms and conditions on a purchase order or other form are of no effect.
- 1.2.3 Authorized Purchaser(s) who are State of Oregon agencies may issue Purchase Orders for any value under this Price Agreement.
- 1.2.4 Contractor shall accept ordering instruments from AUTHORIZED PURCHASERS complying with the provisions of this Price Agreement until the termination or expiration of this Price Agreement.

Contractor shall specify the reason(s) for rejection.
- 1.2.6 Accepted ordering instruments establish separate Contracts between AUTHORIZED PURCHASERS and Contractor and include the terms set forth in Sections 2 and 3. When used in Contracts, "Price Agreement" means specifically Price Agreement No. 0498.
- 1.2.7 DAS-PS is not obligated or liable under any Contract unless DAS-PS is acting as the Authorized Purchaser of the Goods or Services, Services or related products.
- 1.2.8 Nothing in this Price Agreement obligates DAS-PS or AUTHORIZED PURCHASERS to purchase any Goods, Services or related products at any time during the Term of this Price Agreement.

- 1.3.2 Contractor understands and agrees the prices listed for each District are Not-to-Exceed ("NTE") prices but may negotiate lower prices with an Authorized Purchaser for a specific location within each District. In such cases, the negotiated lower prices only apply to Contracts between Contractor and such Authorized Purchaser.
- 1.3.3 Contractor shall subtract from prices charged to Authorized Purchasers any unit price decrease achieved or gained by Contractor whether through the manufacturer or otherwise. Contractor shall give Authorized Purchasers the immediate benefit of the decrease. Contractor shall promptly notify the DAS-PS Contract Administrator of the amount and effective date of the decrease.
- 1.3.4 Either party to this Price Agreement may request a price adjustment for some or all of the Goods, subject to the restrictions specified below. Contractor may request unit price increase no more than once in any 12-month period, provided no such requests made prior to July 1, 2020. Contractor must submit a request to the DAS-PS Contract Administrator in writing at least 60 days prior to the proposed effective date of the increase. The request must show all proposed increases by line item and include, at a minimum, support documentation from the U.S. Bureau of Labor Statistics Producer Price Index and/or Consumer Price Index and documented increases in costs to Contractor. Other relevant manufacturer or industry data substantiating the increase is encouraged and accepted for consideration. DAS-PS reserves the right in its sole discretion to determine whether to agree to a price increase. DAS-PS further reserves the right to require additional documentation or independently verify the basis and validity of any proposed price increase utilizing its internal price review and analysis protocols. DAS-PS may accept or reject the requested increase or offer some lesser amount.

In addition, Contractor may request a price adjustment for some or all of the Goods in connection with each extension of the Price Agreement pursuant to Section 1.5. Any such adjustment must have support documentation from the U.S. Bureau of Labor Statistics Producer Price Index and/or Consumer Price Index and documented increases in costs to Contractor. DAS-PS reserves the right in its sole discretion to determine whether to agree to a price increase for an extension period. DAS-PS further reserves the right to require additional documentation or independently verify the basis and validity of any proposed price increase utilizing its internal price review and analysis protocols. DAS-PS may accept or reject the requested increase or offer some lesser amount. In the event DAS-PS offers some compromise amount or rejects the requested price increase, Contractor may elect to agree to the proposed extension period under those conditions or allow the Price Agreement to expire. However, Contractor has no right to receive, or claim for failure to receive, a price increase for any extension period.

Notwithstanding the foregoing, no more than one price increase will be allowed during any twelve-month period within the Term of the Price Agreement or extension period. Accordingly, if

there has been a price adjustment during the 12-month period preceding the commencement of an extension period, any price adjustment agreed to for such extension period shall not take effect until a period of 12 months from the effective date of such prior adjustment has elapsed.

1.7.2 **Designation of Forum and Consent to Jurisdiction.** A party bringing a legal action or proceeding against the other arising out of or relating to this Price Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

1.7.4 **Transfer.** Contractor shall not assign, delegate or otherwise transfer any of its rights or obligations under this Price Agreement without first obtaining the written consent of DAS-PS. DAS-PS' consent to any subcontract (or other delegation of duties) does not relieve Contractor of any of its duties or obligations under this Price Agreement. This Price Agreement is binding upon and inures to the benefit of each of the parties, and, except as otherwise provided their permitted legal successors and assigns.

1.7.5 **Counterparts.** This Price Agreement may be executed in two or more counterparts, each of which is an original, and all of which, together, deemed the same instrument, notwithstanding that the parties are not signatories to the same counterpart.

1.7.6 **Force Majeure.** Neither DAS-PS nor Contractor will be held responsible for delay or default caused by fire, riot, acts of God, war, or any other cause not within the control of the party whose performance is interfered with, and which delay or default such party is unable to prevent by the exercise of reasonable diligence. DAS-PS may terminate this Price Agreement upon written notice after determining such delay or default will reasonably prevent successful performance of this Price Agreement within a time period that is acceptable to DAS-PS.

In the event of any such delay, Contractor's obligations shall be suspended to the extent and duration of the cause of the delay. However, Contractor shall make all reasonable efforts to

eliminate the cause of any such delay, and upon the cessation of such cause, shall resume performance of Contractor's obligations with all reasonable diligence. If necessary, the period for performance under this Price Agreement will be extended to enable Contractor to fulfill its obligations hereunder once such cause has been removed.

- 1.7.7 Entire Agreement. This Price Agreement, together with the attached exhibits, constitutes the entire agreement between the parties and merges all prior and contemporaneous communications with respect to the subject matter.
- 1.7.8 Notices. Any communication or notice via the United States Postal Service is deemed given five (5) days after mailing. Any communication or notice by personal delivery is deemed given immediately upon such delivery. Any communication or notice by email is deemed given when the recipient, by an email sent to the email address for the sender or by a notice given by another method in accordance with this section, acknowledges having received that email, with an automatic "read receipt" not constituting acknowledgment of an email for purposes of this section.
- 1.7.9 No Third Party Beneficiaries. DAS-PS and Contractor are the only parties to this Price Agreement and are the only parties entitled to enforce its terms. Nothing in this Price Agreement gives, is intended to give, or will be construed to give or provide, any benefit or right, whether directly, indirectly, or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Price Agreement. This section is not intended to, and shall not, limit the rights and benefits of any Authorized Purchaser under Contracts or other ordering instruments entered into with Contractor pursuant to this Agreement.
- 1.7.10 Waiver. The failure of DAS-PS to enforce any provision of this Price Agreement or the waiver of any violation or nonperformance of this Price Agreement in one instance does not constitute a waiver by DAS-PS of that or any other provision nor is it a waiver of any subsequent violation or nonperformance. Such failure to enforce waiver, if made, is effective only in the specific instance and for the specific purpose given.
- 1.7.11 Certification of Compliance with Tax Laws. Contractor has complied with the tax laws of the State and the applicable tax laws of any political subdivision of the State. Contractor shall comply with all tax laws of the State and all applicable tax laws of any political subdivision of the State, for the term of this Price Agreement. Any failure to comply with the provisions of this subsection 1.7.11 constitutes a material default

under this Price Agreement. Such default entitles DAS-PS to terminate this Price Agreement and pursue and recover any and all damages arising from the default or termination of the Price Agreement, and to pursue any or all remedies available under this Price Agreement, at law, or in equity, including but not limited to:

- Termination of this Price Agreement, in whole or in part;

DAS-PS may recover any, and all, damages suffered as the result of Contractor's default under this subsection or under any other provision of this Price Agreement, including but not limited to direct, indirect, incidental and consequential damages, costs of cure, and costs incurred in securing replacement Goods or Services.

- 1.7.12 Recycled Products: Contractor shall, to the maximum extent economically feasible in the performance of this Agreement, use recycled products where possible. This includes paper, "PETE" and other materials, as defined in ORS 279A.010 [1][gg], [hh] and [ii].

Financial Records must be kept in accordance with Generally Accepted Accounting Principles (GAAP). During the record-retention period established in this section, Contractor shall permit DAS-PS and the State of Oregon and their duly authorized representatives, EASiBuy LLC, and the federal government access to the Records at a reasonable time and place for purposes of examination and copying.
- 1.7.14 Performance Evaluations: DAS-PS may conduct evaluations of Contractor's performance during the Term of this Price Agreement. DAS-PS will compile and maintain completed evaluations, which will become a written record of Contractor's performance. DAS-PS may also maintain as part of that written record information obtained from Contractor during an exit interview following Price Agreement termination. DAS-PS may provide copies of any documents in the written record to Contractor and third parties upon request. DAS-PS may use performance evaluations in any way it deems necessary, in its sole discretion, including but not limited to making responsibility determinations and decisions to award contracts.
- 1.7.15 Reporting. This Price Agreement and Contract(s) with AUTHORIZED PURCHASERS who are state agencies will be reported to the Oregon Department of Revenue. The Department of Revenue may take any and all actions permitted by law relative to the collection of taxes due to the State of Oregon or a political subdivision, including (i) garnishing Contractor's compensation under this Price Agreement or a Contract and (ii) exercising a right of setoff against Contractor's compensation under a Contract for any amounts that may be due and unpaid to the State of Oregon or its political subdivisions for which the Department of Revenue collects debts.

- 1.7.16 Pay Equity Compliance: If selected for award, Bidder shall submit to Agency a true and

Authorized Purchaser may elect to have Contractor deliver substitute conforming Goods or Services at no additional cost within 14 calendar days of Contractor's receipt of notice of rejection or other acceptable timeline, if warranted, and agreed to by both parties.

If Goods or Services are rejected or the acceptance of such Goods or Services is revoked, Contractor shall refund any payments made with regard to the rejected Goods or Services and shall, at Contractor's sole cost and expense, remove the Goods or Services within seven (7) calendar days of Authorized Purchaser's notice of rejection or revocation of acceptance.

Authorized Purchaser or the State of Oregon will promptly notify Contractor in writing of any claim of which Authorized Purchaser or the State becomes aware. Contractor's obligations under this section do not extend to any claim solely caused by (i) the negligent or willful misconduct of Authorized Purchaser, or (ii) Authorized Purchaser's modification of Goods or Services without Contractor's approval and in a manner inconsistent with the purpose and proper usage of such Goods or Services.

Authorized Purchaser may, at its option, pursue any or all of the remedies available to it under this Contract and at law or in equity, including, but not limited to:

- a) Termination of the Contract as provided in Section 2.24;
- b) Withholding all monies due for invoiced Goods or Services that Contractor is obligated but has failed to deliver or perform within any scheduled completion dates or has performed inadequately or defectively;
- c) Initiation of an action or proceeding for damages, specific performance, declaratory or injunctive relief; and

or in any order whatsoever.

Upon receipt of written notice of termination, Contractor shall stop performance under this Contract if and as directed by Authorized Purchaser.

- 1.2.3 Authorized Purchaser(s) who are State of Oregon agencies may issue Purchase Orders for any value under this Price Agreement.
- 1.2.4 Contractor shall accept ordering instruments from AUTHORIZED PURCHASERS complying with the provisions of this Price Agreement until the termination or expiration of this Price Agreement.

Other relevant manufacturer or industry data substantiating the increase is encouraged and accepted for consideration. DAS-PS reserves the right in its sole discretion to determine whether to agree to a price increase. DAS-PS further reserves the right to require additional documentation or independently verify the basis and validity of any proposed price increase utilizing its internal price review and analysis protocols. DAS-PS may accept or reject the requested increase or offer some lesser amount.

In addition, Contractor may request a price adjustment for some or all of the Goods in connection with each extension of the Price Agreement pursuant to Section 1.5. Any such adjustment must have support documentation from the U.S. Bureau of Labor Statistics Producer Price Index and/or Consumer Price Index and documented increases in costs to Contractor. DAS-PS reserves the right in its sole discretion to determine whether to agree to a price increase for an extension period. DAS-PS further reserves the right to require additional documentation or independently verify the basis and validity of any proposed price increase utilizing its internal price review and analysis protocols. DAS-PS may accept or reject the requested increase or offer some lesser amount. In the event DAS-PS offers some compromise amount or rejects the requested price increase, Contractor may elect to agree to the proposed extension period under those conditions or allow the Price Agreement to expire. However, Contractor has no right to receive, or claim for failure to receive, a price increase for any extension period.

Notwithstanding the foregoing, no more than one price increase will be allowed during any twelve-month period within the Term of the Price Agreement or extension period. Accordingly, if

there has been a price adjustment during the 12-month period preceding the commencement of an extension period, any price adjustment agreed to for such extension period shall not take effect until a period of 12 months from the effective date of such prior adjustment has elapsed.

#### **1.5 Term of Agreement; Termination**

- 1.5.1 The initial Term of this Price Agreement begins on the date this Price Agreement has been signed by DAS-PS and Contractor, and all required approvals have been obtained ("Effective Date"), and terminates on the 2nd anniversary of the Effective Date unless sooner terminated or extended as allowed in this Price Agreement. DAS-PS has, in its sole discretion, the option to extend the Term of this Price Agreement for up to four additional two-year extension periods, provided the maximum Term of this Price Agreement shall not exceed ten (10) years. DAS-PS will exercise the option to extend, if at all, by giving Contractor written notice no later than 30 calendar days before the expiration of the then-current term. The initial term, and all extension terms collectively, is considered the "Term" of this Price Agreement.
- 1.5.2 Upon termination or expiration of this Price Agreement, Contractor shall not accept new ordering instruments.
- 1.5.3 Termination of this Price Agreement also terminates any outstanding ordering instruments under which an Authorized Purchaser and Contractor agreed to have Contractor deliver specific quantities of Goods or Services on a pre-determined, future date or schedule. The intent is to terminate Blanket Purchase Order(s) or "BPOs", if any exist at time of termination.
- 1.5.4 Except as provided in Section 1.5.3, termination of this Price Agreement does not terminate any

right or obligation of a party under a Contract or ordering instrument accepted by Contractor before termination of this Price Agreement.

1.7.4 **Transfer.** Contractor shall not assign, delegate or otherwise transfer any of its rights or obligations under this Price Agreement without first obtaining the written consent of DAS-PS. DAS-PS' consent to any subcontract (or other delegation of duties) does not relieve Contractor of any of its duties or obligations under this Price Agreement. This Price Agreement is binding upon and inures to the benefit of each of the parties, and, except as otherwise provided their permitted legal successors and assigns.

1.7.5 **Counterparts.** This Price Agreement may be executed in two or more counterparts, each of which is an original, and all of which, together, deemed the same instrument, notwithstanding that the parties are not signatories to the same counterpart.

1.7.6 **Force Majeure.** Neither DAS-PS nor Contractor will be held responsible for delay or default caused by fire, riot, acts of God, war, or any other cause not within the control of the party whose performance is interfered with, and which delay or default such party is unable to prevent by the exercise of reasonable diligence. DAS-PS may terminate this Price Agreement upon written notice after determining such delay or default will reasonably prevent successful performance of this Price Agreement within a time period that is acceptable to DAS-PS.

In the event of any such delay, Contractor's obligations shall be suspended to the extent and duration of the cause of the delay. However, Contractor shall make all reasonable efforts to

eliminate the cause of any such delay, and upon the cessation of such cause, shall resume performance of Contractor's obligations with all reasonable diligence. If necessary, the period for performance under this Price Agreement will be extended to enable Contractor to fulfill its obligations hereunder once such cause has been removed.

- 1.7.7 Entire Agreement. This Price Agreement, together with the attached exhibits, constitutes the entire agreement between the parties and merges all prior and contemporaneous communications with respect to the subject matter.
- 1.7.8 Notices. Except as otherwise expressly provided in this Price Agreement, any communications between the parties, or notices to be given under this Price Agreement, are effective only if given in writing by personal delivery, email or United States Postal Service, postage prepaid, to the Contract Administrator for Contractor or DAS-PS at the address or number set forth below in Section 4, as applicable, or to such other addresses or numbers as either party may later indicate pursuant to this Section. Any communication or notice via the United States Postal Service is deemed given five (5) days after mailing. Any communication or notice by personal delivery is deemed given immediately upon such delivery. Any communication or notice by email is deemed given when the recipient, by an email sent to the email address for the sender or by a notice given by another method in accordance with this section, acknowledges having received that email, with an automatic "read receipt" not constituting acknowledgment of an email for purposes of this section.
- 1.7.9 No Third Party Beneficiaries. DAS-PS and Contractor are the only parties to this Price Agreement and are the only parties entitled to enforce its terms. Nothing in this Price Agreement gives, is intended to give, or will be construed to give or provide, any benefit or right, whether directly, indirectly, or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Price Agreement. This section is not intended to, and shall not, limit the rights and benefits of any Authorized Purchaser under Contracts or other ordering instruments entered into with Contractor pursuant to this Agreement.
- 1.7.10 Waiver. The failure of DAS-PS to enforce any provision of this Price Agreement or the waiver of any violation or nonperformance of this Price Agreement in one instance does not constitute a waiver by DAS-PS of that or any other provision nor is it a waiver of any subsequent violation or nonperformance. Such failure to enforce waiver, if made, is effective only in the specific instance and for the specific purpose given.
- 1.7.11 Certification of Compliance with Tax Laws. Contractor has complied with the tax laws of the State and the applicable tax laws of any political subdivision of the State. Contractor shall comply with all tax laws of the State and all applicable tax laws of any political subdivision of the State, for the term of this Price Agreement. Any failure to comply with the provisions of this subsection 1.7.11 constitutes a material default

under this Price Agreement. Such default entitles DAS-PS to terminate this Price Agreement and pursue and recover any and all damages arising from the default or termination of the Price Agreement, and to pursue any or all remedies available under this Price Agreement, at law, or in equity, including but not limited to:

- Termination of this Price Agreement, in whole or in part;

DAS-PS may recover any, and all, damages suffered as the result of Contractor's default under this subsection or under any other provision of this Price Agreement, including but not limited to direct, indirect, incidental and consequential damages, costs of cure, and costs incurred in securing replacement Goods or Services.

Financial Records must be kept in accordance with Generally Accepted Accounting Principles (GAAP). During the record-retention period established in this section, Contractor shall permit DAS-PS and the State of Oregon and their duly authorized representatives, EASiBuy LLC, and the federal government access to the Records at a reasonable time and place for purposes of examination and copying.

1.7.14 Performance Evaluations: DAS-PS may conduct evaluations of Contractor's performance during the Term of this Price Agreement. DAS-PS will compile and maintain completed evaluations, which will become a written record of Contractor's performance. DAS-PS may also maintain as part of that written record information obtained from Contractor during an exit interview following Price Agreement termination. DAS-PS may provide copies of any documents in the written record to Contractor and third parties upon request. DAS-PS may use performance evaluations in any way it deems necessary, in its sole discretion, including but not limited to making responsibility determinations and decisions to award contracts.

1.7.15 Reporting. This Price Agreement and Contract(s) with AUTHORIZED PURCHASERS who are state agencies will be reported to the Oregon Department of Revenue. The Department of Revenue may take any and all actions permitted by law relative to the collection of taxes due to the State of Oregon or a political subdivision, including (i) garnishing Contractor's compensation under this Price Agreement or a Contract and (ii) exercising a right of setoff against Contractor's compensation under a Contract for any amounts that may be due and unpaid to the State of Oregon or its political subdivisions for which the Department of Revenue collects debts.

- 2.19 FUNDS AVAILABLE AND AUTHORIZED; PAYMENTS:** If Authorized Purchaser is an agency of the State of Oregon or another governmental body, payment obligations under this Contract are conditioned upon Authorized Purchaser's receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Authorized Purchaser, in the exercise of its reasonable administrative discretion, to meet its payment obligations under this Contract. or in any order whatsoever.

**2.25.2 CONTRACTOR'S REMEDIES:** If Authorized Purchaser terminates this Contract, or if Authorized Purchaser is in default under Section 2.22.2 and whether or not Contractor elects to exercise its right to terminate this Contract under Section 2.24, Contractor's sole remedy is a claim against Authorized Purchaser for the unpaid purchase price for Goods or Services delivered and accepted by Authorized Purchaser, less previous amounts paid and the amount of any claim(s) which Authorized Purchaser has against Contractor.
