Background

Homeless Count

➤ **When**: Last Wednesday of January, annually

➤ **Why**:
- Accurate homeless statistics are necessary to receive continued federal funding (almost one million dollars annually from HUD CoC) for homeless programs in Marion and Polk counties.
- Increases the community's understanding of homelessness
- Provides information to identify needed resources and plan for existing resources.

➤ **What sources**:
- Sheltered Count
- Unsheltered/Street Count – stationary sites, street outreach, Community Connect event
- Observed but not surveyed
- Turned Away from shelter
- Short Surveys
- Jail Surveys
- School Count

➤ **Limitations**:
- Challenge to reach all unsheltered in one day.
- Count does not include "doubled up" or "couch surfing" individuals/households.

Scope-Panelist Discussion

- How are these funds used together?

- Can these funds be used for incentives to private investors?

- What other sources are there (private or public)?

- How can funding provide long-term operational capital?
